SUBPART B: EARNING PAID LEAVE

**Section 200.200 General Provisions**

- a) Minimum Paid Leave Time Requirements
  - 1) An employee is entitled to earn a *minimum of 40 hours of paid leave during a 12-month period or a pro rata number of hours of paid leave during a 12-month period*, consistent with Section (a)(2) and Section 15(b) of the Act and Section 200.220 of this Part. [820 ILCS 192/15]
  - 2) Employers may provide such leave via accrual or frontloading.
  - 3) An employer may choose to provide more than the minimum number of paid leave hours to an employee under this subsection or otherwise adopt a

301 more generous paid leave policy as long as the policy meets the minimum  
302 requirements of the Act and this Part.

- 303
- 304 b) An employer who has a qualifying pre-existing paid leave policy in effect on  
305 January 1, 2024, is not required to modify the pre-existing paid leave policy. If,  
306 after January 1, 2024, the employer modifies a pre-existing paid leave policy in  
307 such a way that it no longer provides a minimum of 40 hours of paid leave to be  
308 used for any reason in accordance with Section 15(a) of the Act, that policy will  
309 no longer be considered a qualifying pre-existing paid leave policy.

310

311 **Section 200.210 Start of Paid Leave Benefits**

312

313 An employee shall begin to earn *paid leave hours*, via frontloading or accrual, *at the*  
314 *commencement of the individual's employment with the employer or on January 1, 2024,*  
315 *whichever is the later date.* [820 ILCS 192/15]

316

317 **Section 200.220 Accruing Paid Leave Over a 12-Month Period**

- 318
- 319 a) If an employer requires employees to earn paid leave hours via accrual, an  
320 employee is entitled to *accrue paid leave hours at the rate of one hour of paid*  
321 *leave for every 40 hours worked during a 12-month period up to a minimum of 40*  
322 *hours of paid leave over the same 12-month period.* [820 ILCS 192/15] An  
323 employer may choose to provide leave in smaller, proportional, increments, if the  
324 rate of benefit accrual is at least 1 hour of paid leave for every 40 hours worked.  
325 For the purpose of this Section, work periods must be counted on a minute-by-  
326 minute basis or may be rounded up to the next 15 minutes. An employer may not  
327 round down time worked.
- 328
- 329 b) Except as provided in subsection (c), an employer is required to count all time  
330 that an employee works, including overtime hours worked, for purposes of  
331 calculating accrual. An employer is not required to count time when an employee  
332 is on paid or unpaid leave or other non-compensable time where the employee is  
333 not performing work for the employer as time worked for accrual purposes.
- 334
- 335 c) *Employees exempt from the overtime requirements of the federal Fair Labor*  
336 *Standards Act (29 U.S.C 213(a)(1)) shall be deemed to work 40 hours in each*  
337 *workweek for purposes of paid leave time accrual if that employee regularly*  
338 *works 40 or more hours in a workweek.* [820 ILCS 192/20] If such employee's  
339 regular workweek is less than 40 hours, the employee's paid leave time accrues  
340 based on the number of hours in their regular workweek.
- 341

- 342 1) An overtime-exempt employee who regularly works 40 hours or more in a  
343 workweek is entitled a minimum of 40 hours of paid leave during a 12-  
344 month period.  
345
- 346 2) An overtime-exempt employee who regularly works less than 40 hours in  
347 a workweek is entitled to accrue paid leave hours based on the number of  
348 hours worked in that workweek consistent with Sections 200.200 and  
349 200.220.

350  
351 d) Accrual calculation examples.

352  
353 EXAMPLE A: Employee A works 15 hours per week, 52 weeks per year.  
354 Employee A is entitled to accrue 19.5 hours of paid leave annually. (15 times 52  
355 = 780 hours worked per year. 780 divided by 40 = 19.5 hours of paid leave time.)  
356

357 EXAMPLE B: Employee B works 50 hours per week, 52 weeks per year.  
358 Employee B is entitled to accrue at least 40 hours of paid leave annually.  
359 Employee B's employer may choose to provide more than 40 hours, either via  
360 accrual or frontloading.  
361

362 EXAMPLE C: Employee C is paid on a salary basis and qualifies for the  
363 "administrative" exemption under the Fair Labor Standards Act. Employee C's  
364 office hours are regularly 37.5 hours per week, but in some weeks, this  
365 employee's work hours may be fewer or more, depending on workload. Employee  
366 C's employer requires employees to earn paid leave via accrual. Employee C's  
367 paid leave shall accrue on the basis of 37.5 hours per week, even in weeks when  
368 they work fewer hours.  
369

370 **Section 200.230 Frontloading Paid Leave at the Start of a 12-Month Period**

371  
372 a) If an employer frontloads leave by providing to its employees the minimum  
373 required number of paid leave hours available for use on the employee's first day  
374 of employment or the first day of any 12-month period, the employer is subject to  
375 the following requirements:

376  
377 1) The employer shall give written notice to the employee informing the  
378 employee of how many paid leave hours that employee is receiving on or  
379 before the first day of employment or on or before the first day of the 12-  
380 month period.

381  
382 A) If an employer chooses a fixed date for the beginning of the 12-  
383 month period, such as January 1 or July 1, the employer may pro-  
384 rate the amount of frontloaded paid leave time that an employee

385 who begins employment mid-12-month period shall receive. The  
386 employer shall then frontload the full 12-month period's worth of  
387 paid leave time to that employee at the next regular fixed date.

388  
389 B) An employer may choose to use each employee's employment start  
390 date as the start of that employee's 12-month period.

391  
392 C) An employer may not retroactively diminish benefits that the  
393 employer has already provided to an employee. Therefore, an  
394 employer may not recoup or require an employee to repay paid  
395 leave time that was frontloaded at the beginning of the 12-month  
396 period if the employee's employment ends before the end of the  
397 12-month period.

398  
399 2) Each 12-month period shall renew consecutively for the duration of  
400 employment unless employer does all of the following (see Section 15(d)  
401 of the Act):

402  
403 A) Gives written notice to the employee at least 30 days prior to the  
404 end of the 12-month period, informing them that the 12-month  
405 period is changing or ending;

406  
407 B) Gives the employee written documentation of the number of hours  
408 worked during the 12-month period, the number of paid leave  
409 hours accrued, the number of paid leave hours taken, and the  
410 remaining paid leave hours balance; and

411  
412 C) Ensures that the changing of the 12-month period does not reduce  
413 the number of paid leave hours the employee is otherwise entitled  
414 to in a 12-month period.

415  
416 3) An employee who receives frontloaded paid leave on the first day of any  
417 12-month period shall continue to receive paid leave hours on the first day  
418 of any consecutive 12-month period unless the employer does the  
419 following (see Section 15(d) of the Act):

420  
421 A) Gives written notice the employee at least 30 days prior to the end  
422 of the 12-month period that the 12-month period is changing or  
423 ending;

424  
425 B) Gives the employee written documentation of the number of hours  
426 worked during the 12-month period, the number of paid leave

427 hours accrued, the number of paid leave hours taken, and the  
428 remaining paid leave hours balance; and

429  
430 C) Ensures that the changing of the 12-month period does not reduce  
431 the number of paid leave hours the employee is otherwise entitled  
432 to in a 12-month period.

433  
434 b) The number of hours of paid leave provided under this Section shall not be less  
435 than what the employee would be entitled to earn if the employer had not  
436 provided all paid leave hours on the first day of employment or the first day of the  
437 12-month period.

438  
439 c) With appropriate notice to the employee and documentation, employers may  
440 frontload paid leave time for part-time employees at a pro rata amount consistent  
441 with the employee's anticipated work schedule for that 12-month period.  
442 However, if the employee works more hours than the employer anticipated, the  
443 employee is entitled to accrue additional hours at a rate of 1 hour of paid leave for  
444 every 40 hours worked in that same 12-month period, up to 40 hours of paid  
445 leave. If a part-time employee works fewer hours in the 12-month period than  
446 anticipated by their employer, the employer may not diminish or recoup used or  
447 unused frontloaded paid leave benefits in any way.

448

449 **Section 200.240 Mixed-Earning Policies**

450

451 a) An employer may provide some of its employees paid leave in form of  
452 frontloading, and other employees paid leave via accrual, if the employer's paid  
453 leave policy or policies meets all of the requirements of the Act and this Part.

454

455 b) An employer shall not illegally discriminate or otherwise violate state or federal  
456 law when determining which employees qualify for frontloading or accrual.

457

458 **Section 200.250 Notice and Accounting**

459

460 If an employee accrues paid leave based on Section 200.220 and requests information regarding  
461 that employee's paid leave balance, then the employer shall provide such records to the employee  
462 as soon as is practical.

463

464 **Section 200.260 Collective Bargaining Agreements**

465

466 a) Employees covered under a bona fide collective bargaining agreement may  
467 negotiate minimum standards of paid leave meeting or exceeding what is required  
468 by the Act.

469

- 470 b) *No term or provision of an existing bona fide collective bargaining agreement, in*  
471 *effect on January 1, 2024, shall be affected by the Act. [820 ILCS 192/15]*  
472
- 473 c) For a bona fide collective bargaining agreement that takes effect on or after  
474 January 1, 2024, *covered employees may waive the requirements of the Act only if*  
475 *the language of the waiver is clear, unambiguous, and explicitly waives the*  
476 *requirements of the Act. [820 ILCS 192/15]* In the absence of a clear,  
477 unambiguous, and explicit waiver in a collective bargaining agreement taking  
478 effect after January 1, 2024, the employer shall be subject to the Act and this Part.  
479
- 480 d) The provisions of this Act do not apply to:
- 481
- 482 1) *an employee who works in the construction industry and is covered by a*  
483 *bona fide collective bargaining agreement, regardless of whether that*  
484 *collective bargaining agreement is in effect before or after January 1,*  
485 *2024; [820 ILCS 192/20] or*  
486
- 487 2) *an employee who works for an employer that provides services nationally*  
488 *and internationally of delivery, pickup, and transportation of parcels,*  
489 *documents, and freights and is covered by a bona fide collective*  
490 *bargaining agreement, regardless of whether that collective bargaining*  
491 *agreement is in effect before or after January 1, 2024. [820 ILCS 192/15]*  
492
- 493 e) If an employee works for a State Agency and is covered by a bona fide collective  
494 bargaining agreement in effect on July 1, 2024, then *nothing in the Act shall affect*  
495 *the validity or change the terms of the agreement applying to the employee.*  
496 *Employees covered under a bona fide collective bargaining agreement with a*  
497 *State Agency may only waive the requirements of the Act in such agreement under*  
498 *the following conditions:*  
499
- 500 1) *If the language of the waiver is clear, unambiguous, and explicitly waives*  
501 *the requirements of the Act; and*  
502
- 503 2) *The collective bargaining agreement is in effect after January 1, 2024.*  
504 *[820 ILCS 192/15]*  
505

506 **Section 200.270 Local Paid Leave Ordinances**

- 507
- 508 a) The Act and this Part *shall not apply to any employer that is covered by a*  
509 *municipal or county ordinance that is in effect on January 1, 2024 that requires*  
510 *employers to give any form of paid leave to their employees, including paid sick*  
511 *time or paid leave. [820 ILCS 192/15]*  
512

- 513 b) An employer that qualifies for subsection (a) but who employs employees who  
514 are not covered by such municipal or county ordinance, is required to provide  
515 paid leave to such employees in accordance with the Act.  
516

517 EXAMPLE: Employer A is located in the city of Commerce, Illinois, which has a  
518 local paid leave ordinance. Employer A also has a branch location located in the  
519 city of Anytown, Illinois, which does not have a local paid leave ordinance.  
520 Employer A provides paid leave in accordance with that ordinance to its  
521 employees in Commerce. Employer A is required to comply with the Act and this  
522 Part in relation to its employees working in Anytown.  
523

- 524 c) Notwithstanding the provisions of subsection (a), any employer that is not  
525 required to provide paid leave to its employees, including paid sick leave, under a  
526 municipal or county ordinance that is in effect on January 1, 2024 shall be subject  
527 to the provisions of the Act and this Part if the employer would be required to  
528 provide paid leave under the Act to its employees. This shall include employers  
529 located in municipalities or counties that have opted out of an overlapping  
530 jurisdiction's paid leave law.  
531

- 532 d) If a municipality or county enacts or amends a local law or ordinance to provide  
533 paid leave time, including paid sick leave, after January 1, 2024, and the local law  
534 or ordinances provides equal or greater paid leave benefits, rights, and remedies  
535 than the Act, then the employer shall comply with the local law or ordinance.  
536

- 537 e) If a municipality or county enacts or amends a local law or ordinance to provide  
538 paid leave time, including paid sick leave, after January 1, 2024, and the local law  
539 or ordinances provides less paid leave benefits, rights, or remedies than the Act,  
540 then the employer shall comply with the minimum requirements of the Act.  
541

542 SUBPART C: USE OF PAID LEAVE  
543

544 **Section 200.300 General Provisions**  
545

- 546 a) *An employee is entitled to begin using earned paid leave time 90 calendar days*  
547 *after commencement of employment or 90 days after January 1, 2024, whichever*  
548 *is later.* [820 ILCS 192/15]  
549

550 EXAMPLE A: The Paid Leave for All Workers Act takes effect on January 1,  
551 2024. Six months later, Employee A starts a new job on Monday, July 1, 2024,  
552 and works 40 hours per week. Employee A starts accruing paid leave on their  
553 first day (July 1) but must wait 90 days (until September 29, 2024) before using  
554 any of their accrued paid leave time. See Section 15(g) of the Act.  
555

556 EXAMPLE B: Employee B is hired to begin employment in an office job on  
 557 September 1, 2024, which is the beginning of the employer's pay period. The  
 558 office is closed on September 1 because it is a weekend, and it's also closed on  
 559 Monday, September 2 for Labor Day, so Employee B's first day performing work  
 560 is Tuesday, September 3. Because Employee B's employment status began on  
 561 September 1, that day is the beginning of the 90-day waiting period. See Section  
 562 15(g) of the Act.

564 EXAMPLE C: Employee C has worked for an employer since 2019 but did not  
 565 previously get paid time off. Employee C is entitled to earn paid leave beginning  
 566 January 1, 2024 (the effective date of the Act). Employee C's employer  
 567 frontloads its employees' paid leave in accordance with the Act, but Employee C  
 568 must wait 90 days before being entitled to use any of their paid leave time. See  
 569 Section 15(g) of the Act.

571 EXAMPLE D: Employee D works 40 hours per week between June 1 and  
 572 August 15 (75 days) and does not work the rest of the year. Although Employee D  
 573 is entitled to accrue 1 hour of paid leave for every 40 hours worked, they are not  
 574 entitled to use that leave during that time because they are not employed for 90  
 575 days or longer. If Employee D returns to work for that employer within 12  
 576 months, their accrued but unused leave shall be carried over or reinstated. See  
 577 Section 15(k) of the Act.

- 578
- 579 b) *An employee is entitled to use paid leave earned under the Act and this Part for*  
 580 *any reason of the employee's choosing. [820 ILCS 192/15]*
- 581
- 582 1) *An employer shall not require an employee to provide a reason for taking*  
 583 *paid leave time.*
- 584
- 585 2) *An employer shall not require an employee provide any type of*  
 586 *documentation, including a certificate or form, as proof or support for the*  
 587 *reason to use the paid leave time. [820 ILCS 192/15]*
- 588

589 EXAMPLE: Employee A has accrued a sufficient number of hours under the Act  
 590 to take a paid leave day. Employer A has scheduled a business closure for a  
 591 major holiday. In the past, Employer A has allowed employees to choose whether  
 592 to go unpaid for that holiday, or to use paid leave time available to them.  
 593 Employer A may not require Employee A to use their accrued paid leave hours  
 594 for the holiday closure.

- 595
- 596 c) If an employer maintains a written paid leave policy, handbook, or manual, that  
 597 policy, handbook, or manual must be consistent with the Act and this Part,  
 598 including Section 200.310.

- d) *An employee shall be allowed to choose whether to use paid leave earned under the Act and this Part before using any other leave benefits provided by the employer or State law. [820 ILCS 192/15]*
- e) An employee shall be allowed to choose whether to use any other leave benefits provided by the employer or State law before using paid leave earned under the Act and this Part.
- f) An employer who offers more than one type of leave should confirm and document what category of leave the employee wishes to draw from for any use of leave.
- g) Employees shall have the discretion to determine how many paid leave hours they need to use in a 12-month period except:
  - 1) If an employee's scheduled workday is more than two hours, then *the employer may restrict the use of paid leave to increments of no less than 2 hours per day*, in minimum units of 1 hour.
  - 2) *If an employee's scheduled workday is less than two hours, then the employer may restrict the amount of paid leave used per day to the equivalent of the scheduled workday. [820 ILCS 192/15]*

Examples

Example A: Employee A wants to use 45 minutes of paid leave to run an errand. Their employer may have a policy requiring employees to use 2 hours.

Example B: Employee B wants to use 3 hours of paid leave. Their employer may not require employees to use a higher number of hours instead.

**Section 200.310 Paid Leave Usage Policy and Notice Requirements**

- a) If an employer chooses to impose terms and conditions on employees' use of paid leave time, beyond the provisions explicitly required by the Act, the employer must adopt a reasonable, written paid leave policy, made available in English and in any additional language commonly spoken by the employer's workforce, that, at a minimum, includes the protections of the Act and this Part, and is consistent with the provisions of the Act and this Part. A written paid leave policy, other than a qualifying pre-existing policy, that is inconsistent with the Act and this Part

- 642 is invalid, and an employer with such a policy waives its right to notice of  
 643 employees' use of paid leave time.  
 644
- 645 1) The paid leave policy can be a part of an existing employer manual,  
 646 existing employer handbook, or a separate document.  
 647
  - 648 2) The employer shall provide the paid leave policy to the employee prior to  
 649 or upon the employee's commencement of employment or within 90 days  
 650 after the effective date of the Act, whichever is later. Employers who  
 651 regularly communicate with employees via electronic means shall also  
 652 provide the notice via the employer's regular electronic communication  
 653 method.  
 654
  - 655 3) If an employer changes the paid leave policy during the course of an  
 656 employee's employment, then the employer shall notify the employee of  
 657 the updated paid leave policy as soon as practical.  
 658
  - 659 4) An employee may request to use paid leave *under this Act and this Part by*  
 660 *making an oral or written request to the employer consistent with the*  
 661 *employer's paid leave policy.* [820 ILCS 192/15] An employer's policy  
 662 may require the employee to provide written notice after making an oral  
 663 request for paid leave.  
 664
- 665 b) If an employer's paid leave policy has prior notification requirements, those may  
 666 include the following (see Section 15(h) of the Act):  
 667
- 668 1) If an employee's request to use paid leave time is foreseeable, then an  
 669 employer may require an employee give a maximum of 7 days' prior  
 670 notice.  
 671
  - 672 2) If an employee's request to use paid leave time is unforeseeable, then the  
 673 employer may require the employee to provide notice as soon as  
 674 practically possible after the employee is aware of the necessity of the  
 675 leave.  
 676
- 677 c) An employer may deny an employee's request to use paid leave under the  
 678 following conditions:  
 679
- 680 1) The employer's policy for considering leave requests under the Act,  
 681 including any basis for denial under this Section is disclosed to the  
 682 employee, in writing, consistent with this Section; and  
 683

- 684 2) The employer's paid leave policy establishes certain limited circumstances  
685 in which paid leave may be denied in order to meet the employer's core  
686 operational needs for the requested time period. In considering whether an  
687 employee's request for paid leave may be denied based on operational  
688 needs, relevant factors include:  
689
- 690 A) Whether the employer provides a need or service critical to the  
691 health, safety, or welfare of the people of Illinois; and  
692
  - 693 B) Whether similarly situated employees are treated the same for the  
694 purposes of reviewing, approving, and denying paid leave; and  
695
  - 696 C) Whether granting leave during a particular time period would  
697 significantly impact the business operations due to the employer's  
698 size and available workforce; and  
699
  - 700 D) Whether the employee has adequate opportunity to use all paid  
701 leave time they are entitled to over a 12-month period.  
702
- 703 3) The employer provides to the employee, and maintains according to  
704 Section 200.440, a record of, each request which is denied and the  
705 employer's reason for the denial.  
706
- 707 d) *An employer shall provide employees with written notice of the paid leave policy*  
708 *notification requirements in this Section in the manner provided in Section 20 (d)*  
709 *of the Act for notice and posting, and shall do so within 5 calendar days of any*  
710 *change to the employer's reasonable paid leave policy notification requirements.*  
711 [820 ILCS 192/15]  
712
  - 713 e) *An employer shall not require an employee to search for or locate a replacement*  
714 *worker to cover the employee's use of paid leave time.* [820 ILCS 192/15]  
715
  - 716 f) If an employer changes its policy regarding an employee's requirement to notify  
717 the employer before taking paid leave time, then the employer must communicate  
718 the change in writing within 5 calendar days after the change.  
719
  - 720 g) An employer may restrict an employee's use of paid leave to the employee's  
721 known or anticipated work schedule.  
722

723 **Section 200.320 Carry Over**  
724

- 725 a) For an employee who accrues paid leave time over the course of a 12-month  
726 period, any unused paid leave time shall carry over annually from one 12-month

727 period to the next 12-month period. Employers may establish a reasonable policy  
728 consistent with Section 200.310 restricting employees' ability to carry over more  
729 than 40 hours of unused paid leave. See Section 15(i) of the Act.

- 730
- 731 b) Employees who receive frontloaded paid leave at the beginning of the 12-month  
732 period, in accordance with Section 200.220, are not entitled to carry over paid  
733 leave time from one 12-month period to the next. See Section 15(c) of the Act.  
734
- 735 c) An employee is not entitled to use more than 40 hours of paid leave in a 12-month  
736 period unless the employer allows them to do so. See Section 15(i) of the Act.  
737

738 **Section 200.330 Rate of Pay**

- 739
- 740 a) Employees shall be paid their hourly rate of pay when taking paid leave time.  
741
- 742 b) *Employees who work in an occupation where gratuities are customarily the form*  
743 *of payment shall be paid at least the full minimum wage in the jurisdiction where*  
744 *the employer is located or the agreed upon base hourly wage rate, whichever is*  
745 *higher, for all paid leave hours.*  
746
- 747 c) Employees who work in an occupation where commissions are customarily the  
748 form of payment shall be paid at least the full minimum wage in the jurisdiction  
749 where the employer is located or the agreed upon base hourly wage rate,  
750 whichever is higher, for all paid leave hours.  
751
- 752 d) Employees who earn compensation through any other method shall be paid their  
753 hourly rate of pay when taking paid leave.  
754

755 **SUBPART D: EMPLOYER RESPONSIBILITIES**

756

757 **Section 200.400 Domestic Workers**

- 758
- 759 a) Domestic workers shall earn or accrue paid leave under this Act from each  
760 employer for whom they perform work. *If the employer of a domestic worker*  
761 *requires that a domestic worker demonstrate that the domestic worker has*  
762 *performed, in aggregate for all employers, more than 8 hours of domestic work*  
763 *per workweek, in order to meet the definition of "domestic worker" in Section 10*  
764 *of the Domestic Workers' Bill of Rights Act, then a signed statement prepared by*  
765 *the domestic worker and submitted to each employer indicating that the employee*  
766 *has worked or is scheduled to work 8 total hours in the workweek shall suffice in*  
767 *order for the domestic worker to be eligible to earn paid leave time. [820 ILCS*

769

- 770           b)     If a domestic worker is employed jointly by two or more employers in a shared  
 771           services arrangement, then all of the employers shall be considered one employer  
 772           for the purposes of the Act and this Part (see Section 200.420).

773  
 774           EXAMPLE: A worker is hired jointly by two families with an agreement to  
 775           provide nanny services for two separate households. The worker provides  
 776           services for a combined 50 hours during the week: 30 hours for Family A and 20  
 777           hours for Family B. For the purposes of providing paid leave time, the families  
 778           are in a shared services arrangement. All of the worker's time spent working for  
 779           both families is counted together for accrual calculation purposes.

780  
 781     **Section 200.410 Joint Employment**

782  
 783     For the purposes of the Act and this Part, questions of joint employment will be evaluated  
 784     according to the provisions of Section 210.115 of the Minimum Wage Law Code (56 Ill. Adm.  
 785     Code 210).

786  
 787     **Section 200.420 Transfers and Reinstatements**

- 788  
 789           a)     *An employee is entitled to retain and use all unused accrued paid leave earned at*

859
- 860 2) A statement, written by the employer, summarizing the employer's written  
861 paid leave manual, handbook, or policy, if the employer has one, including  
862 how an employee may receive a copy of such document.  
863
- 864 d) If the employer's workforce has a significant percentage of workers who are not  
865 literate in English, then the employer shall additionally post the notice, as  
866 supplied by the Department, in the languages commonly spoken in the workplace.  
867

868 **Section 200.460 Determining Payment of Paid Leave Upon Separation from Employment**  
869

- 870 a) An employee's existing time off allowance bank or time off account shall be kept  
871 separate from the accounting of the employee's earned paid leave under the Act  
872 unless the employer's written policy or practice is to combine such leave.  
873
- 874 b) If an employer chooses to credit the paid leave provided for under the Act to an  
875 existing paid leave allowance provided by the employer, such policy must be  
876 communicated to the employee within 30 days after the start of employment or of  
877 the effective date of the policy. See Sec. 300.210.  
878
- 879 c) If an employer chooses to credit the leave provided for under the Act to an  
880 existing paid leave allowance provided by the employer, *any unused paid leave*  
881 *time shall be paid to the employee upon an employee's termination, resignation,*  
882 *retirement, or other separation to the same extent that vacation time is paid under*  
883 *the Illinois Wage Payment and Collection Act [820 ILCS 115/5]. [820 ILCS*  
884 *192/15]*  
885
- 886 d) If an employer does not provide an additional form of paid leave allowance, nor  
887 chooses to combine or credit the multiple forms of leave together, then an  
888 employer shall not be required to pay out, provide financial benefit, or  
889 reimbursement for unused paid leave earned under the Act upon an employee's  
890 termination, resignation, retirement, or other separation from employment at any  
891 time of the year.  
892

893 EXAMPLE A: Prior to January 1, 2024, Employer A, who is subject to the  
894 Illinois Wage Payment and Collection Act, offers two weeks of paid vacation to  
895 all employees. Beginning on January 1, 2024, Employer A allows employees to  
896 accrue paid leave under the Paid Leave for All Workers Act, and terms that leave  
897 "PLAW Leave." Employer A maintains records of the distinct balance each

898 employee has in the employee's vacation account and in the employee's PLAW  
899 Leave account.

900  
901 Because Employer A maintains separate documentation of the vacation leave and  
902 PLAW Leave, Employer A does not have to pay out PLAW Leave upon an  
903 employee's separation. When Employee A requests to use leave, Employer A  
904 should ask Employee A whether they wish to deduct the leave from their vacation  
905 balance or their PLAW Leave balance in order to appropriately document  
906 Employee A's remaining paid leave balances.  
907

916 *or this Part; or*

924 *discipline, tenure or terms, privileges or conditions of employment evaluation, or*  
925 *counting paid leave under a no-fault attendance policy. [820 ILCS 192/25]*  
926
- 927 c) It is unlawful for an employer to take adverse employment action, including but  
928 not limited to, penalizing or disciplining an employee under an attendance point  
929 system or equivalent attendance scoring or tracking system when an employee  
930 exercises his or her rights under the Act or this Part.
