Issue 2024-01

Get ready for Annual Town Meeting April 9

For annual meetings, the law requires that the Township Board adopt an agenda at least 15 days before the meeting. Voters may request an agenda item for consideration by giving written notice of a specific request to the Township Clerk no later than March 1, 2024. Items not on the published agenda may **NOT** be considered or added to the agenda at the meeting.

ANNUAL TOWN MEETING NOTICE-Notice of the time and place of holding the annual township meeting shall be given by the township clerk (or in the clerk's absence, the supervisor, assessor or collector) by posting written or printed notices in three of the most public places in the township *at least 15 days before the meeting and, if there is an English language newspaper published in the township, by at least one publication in that newspaper before the meeting.** The notice shall set forth the agenda for the meeting.

AGENDA-Not less than 15 days before the annual meeting, the township board shall adopt an agenda for the annual meeting. Any 15 or more registered voters in the township may request an agenda item for consideration by the electors at the annual meeting by giving written notice of a specific request to the township clerk no later than March 1 prior to the annual meeting. The agenda published by the township board shall include any such request made by voters if the request is relevant to powers granted to electors under the Township Code.

ADDITIONAL AGENDA ITEMS-Any matter or proposal not set forth in the published agenda shall not be considered at the annual meeting other than advising that the matter may be considered at a special meeting of the electors at a later date.

SUPERVISOR'S ANNUAL FINANCIAL STATEMENT- It is the duty of the Township Clerk to post a copy of the supervisor's annual financial statement at the place of holding the Annual Town Meeting. This **MUST** be done at least 2 days before the Annual Town Meeting is held.

ANNUAL TOWN MEETING DAY- No Annual (or special) Town Meeting may begin before 6:00 p.m. The Township Clerk, if he/she is present, shall call the meeting to order. After this, the clerk shall call for nominations for a Moderator and the electors present will elect someone to serve as moderator. Before the moderator enters the duties of office, he/she shall take the oath of office administered by the Township Clerk (see inset box)

PLEASE NOTE: The Township Clerk is the **ONLY** township official acting in ANY official capacity at the Annual (or special) Town Meeting. Everyone else present, regardless if they are an elected official or not, are there as electors (voters) and each have an equal vote in each matter voted upon.

VOTING AT ANNUAL TOWN MEETING- Only registered voters (electors) of the township may vote at the annual (or special) town meeting. The township clerk therefore must obtain a list of the township's registered voters from the county clerk prior to the meeting being held. This list must be used to establish who is or isn't a registered voter and able to participate in the meeting.

MINUTES OF ANNUAL (OR SPECIAL) TOWN MEETING-After a moderator is elected, the Township Clerk acts as clerk of the meeting and keeps an accurate record of the proceedings at the meeting. The minutes shall be signed by the Township Clerk and the Moderator of the meeting.

FINANCIAL STATEMENT- It is the duty of the township clerk to read aloud **OR** provide a copy of the unaudited statement of the annual financial statement of the township supervisor to the electors at the annual town meeting.

POWERS OF ELECTORS-There are many powers that the electors **MAY** take at the Annual (or special) Town Meeting. The following page lists all of those powers. You might keep this list of powers available for your annual town meeting.

A Message from the President

Chris Kain

TOI President

Assessor (Addison Twp./DuPage Co.).

Welcome to 2024! The new year marks the final 13-month countdown of the current four-year term for all elected and appointed township officials. The theme for the 2024 Education Program and the 2024 TOI Fall Conference is “Building for Tomorrow.” As we start to wind down the current term, we do so by building towards our future, our successors’ future and setting up for the next four years.

We have an exciting year planned on the education front. Our 2024 Education Programs will cover northern, central, and southern Illinois. We have a full slate of webinars, Professional Development Days, and our new Virtual District Events. Check toi.org for the full list of educational events scheduled for 2024.

Let’s end the term strong and continue to Build for Tomorrow!

2024 Cox Report Released

TOI commissioned political scientist Wendall Cox of Demographia in 2023 for an updated version of his "Local Democracy in Illinois: Government Closest to the People." Following up on his 2012 and 2016 reports, the third installment of what we informally call "The Cox Report" further examines the finances and fiscal performance of Illinois township government. This detailed report breaks down the number of local governments in Illinois, the fiscal performance of townships compared to their counterparts in municipal government.

It starts with a background of governments in Illinois, including the different units of local government, population trends and tax rates in the state of Illinois and the Chicagoland region. It has a breakdown of Township Fiscal Performance, Municipal Fiscal Performance by Population. It compares Illinois and its governmental units with other states in the union. Using academic research it shows why abolishment and consolidation with other units of local government doesn't always save money and leads to rising costs and loss of services.

The General Assembly can move very fast. One minute a bill can be sitting idle and the next it can be called in a committee. We try not to bombard our members with **CALLS FOR ACTION** and, but if you get an email from us on a bill and a Call to Action, that means it's important and we would like you to reach out to your legislators and call attention to the bill.

Salary Survey

The Local Government Compensation Act (50 ILCS 145/2) states that “the compensation of elected officers of townships must be fixed at least 180 days before the beginning of the terms of the officers whose compensation is to be fixed (i.e., the third Monday in May after the election). Failing to set the compensation for the township for each term could create grounds for an argument that the compensation has not been properly established. Therefore, with no set compensation no payment is authorized.”

[CLICK HERE TO COMPLETE THE SALARY SURVEY FOR YOUR TOWNSHIP](#)

This is an important statute, and as you can see from that last sentence, if your township fails to pass a salary resolution 180 days before the beginning of the term, elected officials will receive no compensation throughout the entirety of the four-year term. For Multi-Township Assessing Districts (MTAD's), salaries must be set 150 days before the start of the new term. For the new term beginning in 2024, the last day to set the salaries for multi-township assessors and MTAD board members is November 2nd, 2024.

For all other elected township officials (supervisors, clerks, trustees, assessors, highway commissioners, tax collectors), the last day for townships boards to set salaries for the new term is November 20th, 2024.

[CLICK HERE FOR A SALARY SETTING RESOLUTION SAMPLE](#)

This salary survey is 18 questions and shouldn't take long to fill out. It will help your township and other townships gauge what pay should be and what other regional townships are paying their elected officials. We encourage every township elected official to take the 20 minutes or so and fill out the survey to the best of your ability.

Salary Setting

(60 ILCS 1/65-20)

Sec. 65-20. Road district treasurer; new township; multi-township officers.

(a) Compensation of township officers shall be set by the township board at least 180 days before the beginning of the terms of officers, including compensation of the road district treasurer, which shall be not less than \$100 or more than \$1,000 per year. Compensation of a township assessor and collector shall be set at the same time as the compensation of the township supervisor. Compensation of a multi-township assessor shall be set at least 150 days before his or her election.

(b) The compensation to be paid to each officer in a new township established under Section 10-25 shall be determined under this Section by the township board of the township the whole or a part of which comprises the new township and that has the highest equalized assessed valuation (as of December 31, 1972) of the old townships that comprise the new township.

(c) At least 150 days before the election of multi-township officers, the multi-township board may establish additional pay of those board members for their services in an amount not to exceed \$25 per day for each day of services.

(d) For the first term of a township consolidated or merged under Article 22 or 23, compensation for township officers of the consolidated or merged township shall be set by the Transition Township Board no later than the first day in April before the consolidated election at which the township officers are to be elected.

(Source: P.A. 100-107, eff. 1-1-18.)

(60 ILCS 1/65-25)

Sec. 65-25. Township assessor compensation. The township assessor shall receive for his or her services as assessor a sum as provided in the Property Tax Code as full compensation for services performed by township assessors in making assessments of property.

(Source: P.A. 88-62; 88-670, eff. 12-2-94.)

Remember, per state law, the salary is set 180 days prior to the term that begins on May 19, 2025 (The Third Monday). This means that salaries are required to be set by resolution no later than Tuesday, November 20, 2024. We have updated the salary resolution and included it in the download center at toi.org.
