Search for Joint Purchasing contracts on the Internet:

- Go to the Illinois Procurement Bulletin (IPB) website at <http://www.purchase.state.il.us>
- Click on Master Contracts
- Click on Joint Purchasing to find the list of Joint Purchasing contracts
- Scroll down the alphabetized list of contract titles, or
- Enter a contract title, contract number or T-Number in the Search box and click Search
- When you find the contract title, click on the blue arrow next to the title
- Click on a contract number(s) to find the Master Contract Identification page
- In the middle of this page, **the Joint Purchasing Indicator must be set to YES** for the contract to be a Joint Purchasing contract. If the Indicator is set to NO, the contract is not a Joint Purchasing contract and the vendor is not required to offer the contract's pricing, terms and conditions to local governmental entities.
- Click on the Contract File Attachment to view the complete contract as a .PDF file

Receive automatic e-mail notifications when new and renewed Joint Purchasing contracts are posted on the Illinois Procurement Bulletin (IPB):

- Go to the IPB website at <http://www.purchase.state.il.us>
- Click on Master Contracts
- Click on Joint Purchasing
- Click on New Subscription
- Enter your e-mail address and click Continue
- Click the Add button to add contract T-Numbers to your list
- In the upper box, select contract titles by highlighting the T- Number/Contract Title line and click on Add. You can select as many titles as necessary. Your selections will be listed in the lower box.
- When all selections are made, click OK
- Click the Submit button
- You will receive an e-mail asking you to respond and confirm your subscription. Your subscription will not be activated until you have completed the confirmation process.

Please contact the Illinois Procurement Bulletin Contract Information Helpdesk with questions regarding IPB procedures:
