

THERE WERE 200 WORKERS' COMPENSATION CLAIMS REPORTED LAST FISCAL YEAR; ONE IN EVERY FIVE CLAIMS WAS DUE TO A SLIP, TRIP AND/OR FALL.

THE COST OF THOSE CLAIMS TOTALED ALMOST \$1,000,000.

HERE ARE SOME SUGGESTIONS TO HELP PREVENT SLIPS, TRIPS AND FALLS:

- > Enter and exit vehicles or equipment properly
- > Avoid jumping out of vehicles or equipment
- > Use handrails
- > Wear the proper shoes or work boots that provide good traction
- > Apply non-skid grip strips to steps
- > Keep sidewalks, walkways and township parking lots free from snow, ice and debris
- > Invest in a good quality entry way rug
- > Post wet floor signs
- > Clean up spills immediately
