

# TOIRMA Update

By Jim Donelan

TOIRMA Executive Director

## Thankful for the Entire TOIRMA Team

**I** REMEMBER YEARS AGO being a recent college graduate and reading a report outlining the future of my hometown. The plan was titled “Springfield Strategy 2020.” At the time, the year 2020 seemed inconceivably far off. We were barely into the new millennium, and I couldn’t even imagine 2020 being here any time soon. Well, here we are two years past, and it’s 2022. The old saying is indeed true, “time does fly.”

In the spirit of not letting time get away and as we enter into the new year, I want to thank the entire TOIRMA Team for all of their hard work put into the TOIRMA Program. Of course, being a joint intergovernmental self-insurance pool, our success begins with our membership. Risk management is a two-way street, and the cooperation of our Members is appreciated and a key part of TOIRMA.

TOIRMA has a remarkable Team, and each staff

member treats the Program like it’s their own. Whether it’s our people on the phones, in the field, or truly in the background, each contributes to the overall operation. I can’t describe the countless times one of our Members have commented to me on how well they have been treated by a member of our Team. Your efforts are appreciated more than you know.

On behalf of the TOIRMA Board of Trustees, thank you to the entire TOIRMA Team, and I hope you enjoy a prosperous 2022.

We hope to be able see you at more in-person events in 2022.

As always, if you have any questions or need assistance, please feel free to contact me toll-free at (888) 562-7861 or by email at: [jdonelan@toirma.org](mailto:jdonelan@toirma.org).

Have a safe and Happy New Year.
