

**March 2021 Minutes
Jackson Township Board**

Call to Order: @6:32

Pledge to the Flag:

Roll Call

Present: Trustee Wilhelmi, Trustee Fanning, Trustee Tibble, Supervisor Robbins, Clerk Hunt, Highway Commissioner Buss, Assessor LeGrett Absent: Trustee O'Connell

Items of Public Concern

Brandon Doden was present and would like us to come and look at the food pantry and how much it has grown with the freezer and new shelves. He mentioned they will not be doing the bunny breakfast but on April 3rd if we do our Easter baskets, that is when they do the food pantry so it would make sense to do it that day as well.

Reports

Assessor's Report: Phone calls are coming about the Senior Freeze for this year. It sounds like they are going to roll it over again and you will not have to reapply.

Road Report: The last month was busy plowing snow and spreading salt. They did purchase more salt from Joliet Township. There is going to be a solar farm in Jackson Township and Paul attended a meeting about where to put the entrance. They will be replacing some poles up Sharp Rd to the solar farm. Bridge will be starting on Cherry Hill Road weather permitting. A new truck is being ordered through a public bid. Paul has been approached about fixing Cherry Hill where it meets Bruns. It is not the township's road it is Village of Manhattan's road even though all residents on the West side of the road are Jackson Township. Paul wanted to talk to the board about how we can help the residents even though it's not Jackson Township's responsibility. Trustee Fanning asked if HC Buss let the board know what he has decided.

Town Report: Supervisor Robbins is getting estimates from accountants to do our audit. A local resident wants to rent the hall on May 23rd. She gave a deposit check, a check for the rental and she signed the rental agreement. He is going to order some township official books for our new members. He is going to order new shirts as well.

Trustee Comments: Trustee Wilhelmi asked about the flags on Millsdale Rd- they are putting a new cable in there.
