SUPERVISOR’S UPDATE

Supervisor Aiello announced that Trustee Richard Berning resigned from the board effective March 31, 2022. They do have some time to fill the vacancy. They will follow the same procedures they did last time. They will put out a press release, take applications, and conduct interviews. They have 60 days to fill the position. Anyone of the same party can apply.

OLD BUSINESS

Supervisor Aiello mentioned they had previously talked about having an Open House and he has been talking to some people to get some ideas. He also needs to get together with Trustee Gordon to talk about it. What they did before seemed to be effective. Trustee Carlson coordinated a Covid shot event at the old Gold's Gym. After talking with some people at Public Health and Community Resources, it may be an opportunity for them to do an Open House, some booster shots, and some other outreach programs. In September, the LiHeap program starts and that is when they get a lot of their money, so he thinks it would be a good idea to have an Open House/Town Hall meeting to address some of the issues they need to address. It would also give them an opportunity to address some of the homeless initiatives and programs. It would be like a one-stop shop Open House. They would also have something from Don Gray on assessments and taxes. Trustee Gordon stated she felt, with the Town Hall meeting, the constituents could come in to ask questions and see how things are being run. They could also ask questions about LiHeap or any other programs available and could see what is going on with Capital Township and Public Health. Supervisor Aiello stated he would coordinate that with Public Health and Community Resources.

ADJOURN

A motion was made by Trustee Carlson, seconded by Trustee Rockford, to adjourn the meeting to April 12, 2022 at 5:30 p.m. Upon a roll call vote, there were 4 Yeas – 0 Nays.
