COMMITTEE REPORTS:

SUPERVISOR'S:

A complaint has been brought up against the home on 47 Helen Street about a vehicle that was parked on the street. Road Commissioner Barton, Supervisor Araujo, and Clerk Johnston have driven by the area and the sticker on the license plates is current and there was not a no parking sign visible. There is no violation at this time.

HIGHWAY COMMISSIONER'S:

The concrete slab has been poured by Dennis Construction. It is wider and thicker than the first bid was given. The company also put two coats of linseed oil on the concrete to seal and protect the concrete from the salt eating away at it. Blocks are being put in place with anchor rods made by Mushro Machine. The commissioner will start getting bids for the construction of the shed which hopefully can be done before winter so the salt will be in a covered building.
