

to move toward virtual offerings until further notice.

The April 2021, issue of *Township Perspective* will highlight the programs offered in 2021 that includes, but is not limited to webinars, professional development day events as well as our newly elected official training scheduled for August 2021.

The important objective is to discuss with your township boards what can be done to improve the services provided, presence, and future events for the township. Share resources, goals, and objectives. The resources needed are available you only are required to look for them.

### TOI Website Program

- Do you have a website?
- The benefits of a township website are a great way to communicate with your community!
- TOI has an affordable, easy, stress-free option to have a website with little maintenance and knowledge required.

### Good Luck With The 2021 Annual Town Meeting

There are many challenges before us regarding the ATM. We encourage you to plan early and make accommodations to follow social distancing, mask wearing and safety protocol to have the April 2021 ATM. At this point, we have no new directives from the Governor's

Office to postpone or reschedule the event. **THE ATM IS REQUIRED STATUTORILY!** TOI is having a webinar on March 26, 2021 providing an overview of the meeting with time for questions and answers. Information and registration are available at [www.toi.org](http://www.toi.org).

I hope that you all have a great meeting. Promote attending to your residents and offer explanations to why you have the meeting and the benefits that the township brings to your community.

I have taken several calls this past month regarding the 2020 ATM. You are required to have that meeting as well. If you have not held your 2020 ATM, we recommend that you do so as soon as possible! You are required to have one separate from the 2021 event. Information on holding the annual event is on our website and available in recent editions of *Perspective*.

We are looking for new program content for the educational calendar. If you have information on a new program, please forward it to me at [jerry@toi.org](mailto:jerry@toi.org).

### Promote the Use of Our Website

As we continue to move through the pandemic for COVID-19. I would like to remind you that if you have questions about holding our annual town meeting or other pending issues the TOI website ([www.toi.org](http://www.toi.org)) is the best resource for information.
