**FOR:** Honorable Township Trustees

**SUBJECT:** Adoption of Township Purchasing Policy

**RECOMMENDATION/MOTION:** Recommend that the Purchasing Policy be adopted.

**BACKGROUND:** The Township has lacked a formal Purchasing Policy. The Township consists of two (2) elected official offices: the Assessor and the Supervisor and a component unit: Evergreen Memorial Cemetery. A formal Purchasing Policy will provide clear and practical direction on a daily basis. Township staff reviewed statutes and the City of Bloomington's Code pertaining to procurement.

The Township hopes to implement best practices in public procurement by:

- 1.) Establishing legal authority.
- 2.) Provision of uniform policies.
- 3.) Building public confidence in public procurement.
- 4.) Ensuring fair and equitable treatment of all.
- 5.) Provision of increased efficiency, economy, purchasing power and flexibility.
- 6.) Fostering effective broad based competition.
- 7.) Safeguarding the integrity of the procurement system.
- 8.) Preventing against corruption, waste, fraud and abuse.

Under the proposed Policy the Board has four (4) levels of control on Township procurement:

- 1.) Adoption of comprehensive line item budget for operating and capital expenditures.
- 2.) Approval of all awards of bids, Request for Proposals, (RFP), and contracts over \$20,000.
- 3.) Approval of anticipated expenditures prior to bill payments.
- 4.) Approval of formal project management plan for design, construction and oversight of all public facility construction over \$500,000.

After the proposed Policy is adopted the Township will establish formal Procurement Manuals encompassing the Policy and outlining procedures for procurement under \$20,000. Changes to procurement procedures will be reviewed by outside auditors. The Supervisor's Office will serve as a funnel for procurement transactions providing internal controls, insuring compliance with regulations and best practices. Procedures for procurement under \$20,000 will include but not be limited to:

- 1.) Formal bid process for procurement over \$20,000, unless there is a specific exemption as outlined in this Policy, which will be substantiated by the Supervisor, e.g. sole source, limited source.
- 2.) Minimum of three (3) formal quotes required for procurement over \$10,000 up to \$19,999, unless there is a specific exemption as outlined in the Policy, which will be substantiated by and approved by the Supervisor, e.g. sole source, limited source.
- 3.) Procedures for procurement under \$10,000 made into formal regulations and reviewed by outside auditors.
- 4.) Internal audit procedures will be expanded to detect patterns of abuse and ensure compliance with regulation. Findings will be actionable and reported to the Supervisor.

**COMMUNITY GROUPS/INTERESTED PERSONS CONTACTED:** Township Assessor, Evergreen Memorial Cemetery Board and John Redlingshafer, Township Attorney.

**FINANCIAL IMPACT:** Enterprise effectiveness will be the key impact to clarify and implement the proposed Policy decreasing reputational risk in the vendor communities. Bid limits will allow small businesses to participate without the cost of submitting formal bids and/or RFP.

Respectfully submitted for Board consideration.

**TOWN OF THE CITY OF BLOOMINGTON**  
**PURCHASING POLICY**

**Introductory Comments**

The Town of the City of Bloomington (the “Township”) is a unit of local government that includes the Office of the Supervisor/General Assistance (the “Supervisor”), the Township Assessor (the “Assessor”), and the Board of Trustees of Evergreen Memorial Cemetery (the “Cemetery”). In addition to these entities, the Township has certain statutory oversight from and power vested in the Township Board of Trustees.

In an effort to promote transparency and consistency, the Supervisor, the Assessor, and the Cemetery determined it to be in their best interests to have a uniform Purchasing Policy and present it to the Township Board of Trustees for its approval. In that same spirit of consistency and given the unique nature of the Township as coterminous with the City of Bloomington, this Policy, wherever possible, is similar to the City’s Purchase Policy.

As outlined herein, the Supervisor, in consultation with the Assessor and the Cemetery, reserve the right to work together to adopt their own procedures and manuals on how to implement this Policy.

**Administration**

**Powers and duties generally**

- A. The Supervisor is the Chief Executive Officer of the Township. Accordingly, the Supervisor shall examine and report on all proposed contracts to which the Township may be a party, and shall sign on behalf of the Township any contract authorized by the Township Board of Trustees, excepting where Illinois law or the Township Board directs that some other officer or entity shall do so. For example, this paragraph shall not apply to actions where authority is granted to the Cemetery and/or Assessor by law or when deferred by the Township Board.
- B. The Supervisor, the Assessor and the Cemetery have their own rights and obligations under Illinois law. Accordingly, where appropriate, the Supervisor, the Assessor, or the Cemetery shall make relevant purchases of construction, repair, maintenance, services, goods, supplies, materials, and equipment in the manner prescribed by, but subject to any limitations imposed by law. No purchase shall be made and no expense shall be incurred except for purposes in which prior appropriation is made. Additional information may be requested from the Cemetery and/or Assessor to support presentations to the Township Board of Trustees.
- C. The Supervisor shall sign on behalf of the Township any deed for real property, except for any deeds issued by the Cemetery for burial purposes.

### **Settlement of Litigation, Claims and Collections**

- A. Settlements concluding any litigation, claims, and collections of any amount shall require presentation to and action by the Township Board of Trustees unless otherwise authorized by law or upon the advice of the Township attorney.
- B. For any judgment obtained by the Township or for any other amount owed to the Township, the Supervisor is authorized to enter into an agreement with one or more collection agencies for the collection of said debts. The same authority rests with the Assessor and the Cemetery for judgments obtained or other amounts owed to those entities.

### **Approval of Contracts, Purchases, Open Market Orders and General Spending Levels**

- A. The Supervisor, the Assessor, and the Cemetery are hereby authorized to procure, at the relevant entity's discretion, on the open market, commodities, supplies and services, and construction, repair and maintenance projects, costing not more than Twenty Thousand Dollars (\$20,000.00) per individual purchase, contract and/or procurement. Any approval shall remain subject to any competitive bidding processes if desired or as required by law.
- B. Any determination with respect to contracts, purchases or open market orders involving the expenditure of Twenty Thousand Dollars (\$20,000.00) or more per individual purchase, contract and/or procurement shall be subject to any competitive bidding processes consistent with Illinois law.
- C. In consultation with the Assessor and the Cemetery, the Supervisor may establish reasonable additional regulations, setting forth more detailed requirements and procedures for the procurement of commodities, supplies and services, and construction, repair and maintenance projects as well as when contracts shall be used for procurement and when purchase orders shall be used.
- D. The Supervisor, the Assessor, and the Cemetery may authorize payments of expenditures approved in their relevant portion of the Township's budget and appropriation ordinance that are routine in nature and otherwise required by an existing contract or intergovernmental agreement, as well as utility payments, health insurance payments and other contributions approved within the budget and appropriation ordinance. However, any such expenditure shall be reported on the Township's Monthly Audit report and must be subject to review by the Township Board of Trustees in a manner consistent with Illinois law.
- E. Nothing herein shall limit the ability of the Supervisor, the Assessor, or the Cemetery to hire employees, enter into and sign employment contracts, and to sign contracts with employment agencies.

- F. The Supervisor, the Assessor, and the Cemetery shall have the authority to execute a change order to any contract under their authority if either: 1.) the amount of the change order is under \$5,000.00; or 2.) the change order does not raise the total cost of the procurement more than \$20,000.00. For all other change orders, the Township Board or the Cemetery (where appropriate) shall approve the change order or may give authority to the Supervisor, the Assessor, or the Cemetery in the motion to approve the contract authority to execute change orders.
- G. All formal contracts greater than \$20,000.00 shall be approved as to form by the attorney for the Township, the Assessor, or the Cemetery, where appropriate.

**Competitive Procurement Requirements; Notice of Procurement; Waiver of Bids**

- A. Requirements. Except as provided, all contracts, purchases or open market orders in the amount of \$20,000.00 and above made by the Township, the Assessor, or the Cemetery shall be awarded to the vendor whose bid, quote or offer, after due notice is given, is determined by the relevant governing authority to serve the best interests of that entity, taking into consideration the quality of the construction, repair, maintenance, services, goods, supplies, materials, and equipment supplied, their conformity with the specifications, the price, delivery terms and the service reputation of the vendor, and such other criteria as may be specified in the documents seeking the bid, quote or offer. All entities reserve in all cases the right to reject any and all bids, quotes and/or offers. This process shall be known as “competitive procurement.” For the procurement of construction, repair, or maintenance, equipment, supplies, materials, goods or services estimated to be under Twenty Thousand (\$20,000.00), the Supervisor, in consultation with the Assessor and the Cemetery may establish reasonable purchasing and/or bid procedures by regulation.
- B. Notices. Unless otherwise provided by law, all notices to bidders or responders for procurement of construction, repair, or maintenance, equipment, supplies, materials, goods or services estimated to be Twenty Thousand Dollars (\$20,000.00) or more shall be published no less than ten (10) days in advance of the date announced for the receiving of bids or responses, in a daily newspaper of general circulation in the Township, and shall simultaneously be available at the Township or Cemetery Building, depending on the entity with responsibility for the notice. The newspaper notice required shall include a general description of the articles to be purchased, shall state where the competitive procurement documents may be secured and the time and place for opening bids or responses. In addition, sealed bids or responses shall be solicited by mailing notices to prospective suppliers.
- C. Additional Competitive Procurement Requirements. The competitive procurement requirements set forth in this Policy may be altered in the following circumstances by the Supervisor, the Assessor, or Cemetery, as applicable:

- (1) Joint Purchases. In cases where the construction, repair, or maintenance, equipment, supplies, materials, goods or services for amounts in excess of Twenty Thousand Dollars (\$20,000.00) have already been approved through a state competitive bidding process or are being purchased through a joint purchase agreement with one or more other governmental units, such purchases may be approved in a manner consistent with the Governmental Joint Purchasing Act, the Intergovernmental Cooperation Act or elsewhere provided by law. Nothing shall prevent the Township, the Assessor, or the Cemetery from seeking quotes and bids, and making purchases, from suppliers or vendors who can provide lower prices than those available through joint purchasing programs for equivalent or better items. The Supervisor, the Assessor, and the Cemetery are further authorized to enter into joint purchasing agreements and to exercise spending authority without competitive procurement if the purchase is through a joint purchasing program in a manner consistent with Illinois law.
  
- (2) Sole Source Procurement. Contracts for construction, repair and maintenance, services, goods, supplies, materials and equipment that are produced or provided by only one supplier or vendor may be awarded without engaging in the competitive procurement processes required by this Policy as allowed under Illinois law. For this exception to apply, the following steps must followed:
  - (a) The Supervisor, the Assessor, or the Cemetery, shall perform due diligence to determine whether there is more than one possible vendor and shall document said efforts;
  
  - (b) The vendor shall provide a letter indicating its sole source status; and
  
  - (c) If the Supervisor, the Assessor, or the Cemetery determines that there is only one supplier or vendor of the construction, repair and maintenance, services, goods, supplies, materials and equipment required, those entities are authorized to negotiate and to recommend to the relevant governing authority for contracts and purchases in excess of \$20,000.00, as applicable, a contract with such supplier or vendor to purchase the construction, repair and maintenance, services, goods, supplies, materials and equipment, at prices or on terms most advantageous to them. In such a case, a written determination stating such supplier or vendor is the sole source for such construction, repair and maintenance, services, goods, supplies, materials and equipment is required. For contracts or purchases up to \$19,999.99, the Supervisor, the Assessor, or the Cemetery may proceed with the purchase without prior approval of the relevant governing authority if all of the steps outlined herein are met, but shall present said purchase to its authority for formal

audit/approval as required by law. Such approval from the authority shall not be unreasonably withheld.

- (3) **Limited Source Procurement.** Contracts for construction, repair and maintenance, services, goods, supplies, materials and equipment that are produced or provided by a specialized supplier or vendor, or where due to compatibility issues with existing equipment a limited source procurement is necessary, may be awarded without engaging in the competitive procurement processes required by this Policy and without the adoption of a Resolution to the extent allowed under Illinois Law. For this exception to apply, the following steps must followed:
  - (a) If the Supervisor, the Assessor, or the Cemetery determines that a specialized supplier or vendor is needed or has been used in the past on a specific project for construction, repair and maintenance, services, goods, supplies, materials and equipment within the special parameters required or pursuant to an overall plan for procurement to achieve improved public service or long term operational efficiencies, the Supervisor, the Assessor or the Cemetery are authorized to negotiate and to recommend to the relevant governing authority a contract with such supplier or vendor to purchase the construction, repair and maintenance, services, goods, supplies, materials and equipment, at prices or on terms most advantageous to the entity. For contracts or purchases up to \$19,999.99, the Supervisor, the Assessor, or the Cemetery may proceed with the purchase without additional approval if all of the steps outlined herein are met.
  - (b) In the case of a Limited Source Procurement, the Supervisor, the Assessor, or the Cemetery shall make a written determination of the basis for the special parameters or overall plan for procurement to achieve improved public service or long term operational efficiencies and that such supplier or vendor is the single source for such construction, repair and maintenance, services, goods, supplies, materials and equipment.
- (4) **Professional Services.** Contracts, agreements or memberships in or with trade or professional organizations, lobbying groups, governmental services memberships, and professional services for legal and employment related services shall be exempt from the competitive procurement requirements as shall all employee contracts and hires and agreements with any collection agencies.

## **Emergency Purchases; Report Required When More Than Twenty Thousand Dollars**

In the case of accident or other circumstances creating an emergency where necessary to protect life, the public health and safety, and public property, or in the case of the occurrence of any breakage or loss of equipment, or in other circumstances which could not reasonably be anticipated, whereby in which any necessary regular service of the Township, the Assessor, or the Cemetery is, or is about to be, interrupted or whereby these entities will suffer any great or continuing loss, the Supervisor, the Assessor, or the Cemetery, upon the request of their relevant staff, may negotiate an emergency purchase to address any such circumstance engaging in the competitive procurement process and in such amount as may be necessary in the circumstances in a manner consistent with Illinois law. In the case of such emergency purchases involving amounts in excess of Twenty Thousand Dollars (\$20,000.00), the Supervisor, the Assessor, or the Cemetery shall, at the next meeting of the relevant governing authority, render a full report on the case.

## **Public Facility Construction**

The goal of public construction of facilities is to deliver public facilities that meet the needs of the citizens and the public employees that use them and that represent sound investments of tax dollars. High-quality, cost-effective design and construction services are key to achieving this goal on each public facility construction project. As part of any proposed new public facility construction project estimated to be in excess of \$500,000.00, the Supervisor, the Assessor, or the Cemetery shall first propose to the Township Board of Trustees a project management plan for the design, construction and oversight of the project.

The project management plan may either be approved or rejected by a majority of the Township Board of Trustees and the project management plan ultimately approved shall govern the design, construction, oversight and general scope of the project. This plan shall include whether the project will be design-build, as allowed by law, or whether a general contractor will be utilized. The project management plan shall be approved prior to bidding the project, but may be altered or amended by a majority of the Township Board of Trustees after bidding. **FOR:** Honorable Township Trustees

**SUBJECT:** Proposed FY 2021 Proposed Tax Levy for Tax Year 2019

**RECOMMENDATION/MOTION:** Recommend that the Board approve the estimated Tax Levy for Tax Year 2019 in the amount of \$2,351,600.

**BACKGROUND:** According to the Illinois Property Tax Code Division 2 Truth in Taxation, (35ILCS 200/18/60), the Township must formally adopt an estimated tax levy not less than twenty (20) days prior to the adoption of a final tax levy.

35ILCS200/18-85 requires said estimate be compared to the prior year extension and if a five percent (5%) increase exists then a public notice and a public hearing must occur.

In addition, the tax levy ordinance must be passed by a vote of the Board and a certified copy thereof, filed with the County Clerk on or before the last working Tuesday in December, this year the date would be December 17, 2019. Therefore, the adoption of the 2019 Tax Levy Ordinance will be placed on the Board's November 25, 2019 meeting agenda.

There are three (3) components of the property tax formula that affect an increase or decrease in real property taxes. The dollar amount requested by the Township or any of the other overlapping tax districts, the amount of the final Equalized Assessed Value, (EAV), which is one third of the properties assessed value, and the tax rate which is generated by dividing the levy by the EAV:

$$\text{Tax formula:} \quad \frac{\text{Dollar Levy}}{\text{Final EAV}} = \text{Tax Rate}$$

The Township adopts its estimated tax levy based on a preliminary EAV which is an estimate and subject to the appeals process. The final EAV will be completed by January 1, 2020. The tax rate generated is later applied to individual property owner's tax bills on April 1, 2020 and the bills are mailed on May 1, 2020.

This year the Township is requesting \$2,351,600 which is projected to result in a flat tax rate compared to last year. Depending on what happens to the Township's final EAV, real property owners could receive a slight decrease in property taxes levied by the Township.

2019 Tax formula estimate	<u>\$2,351,600</u>	
(Preliminary EAV):	\$1,898,393,653	0.0124%

The property tax levy is primary revenue source for the Township.

**FINANCIAL IMPACT/ANALYSIS:** The Supervisor and Assessor recommend the Board adopt the tax levy estimate of \$2,351,600 which matches last year's levy. The Township has had a practice of reducing its reserve fund balance dating back to the 2007. From 2014 to 2016, the tax levy remained flat. The standard practice for township government is to have a General Assistance, (GA), reserve equal to one, (1), year of expenditures. The forecast for the end of FY 2021 is for the Township to have approximately eight, (8), months in the GA reserve. The standard practice for township government is to have General Town Fund, (GT), reserve equal to eighteen, (18), months of expenditures but no lower than six, (6), months. The forecast for the end of FY 2021 is for the Township to have approximately seven, (7), months in the GT reserve.

There had not been a change to the levy amounts for the three, (3), funds. The \$265 monthly GA grant had been in effect prior to 2002. In 2019, this monthly grant has been increased to \$312. Furthermore, the Township believes it may see an increase in the employer share for health insurance and there has been an increase to its IMRF, (Illinois Municipal Retirement Fund), employer rate.

**ADMINISTRATOR RESPONSE:** I respectfully request the Board's support of this estimated Property Tax Levy.

Respectfully submitted for Board consideration.

**Cemetery:** This year the Evergreen Cemetery Walk brought the voices of McLean County's history to life. Costumed actors portrayed individuals representing all walks of life from the county's past on the beautiful grounds of the Cemetery. This year the event served over 3,200 individuals, (mostly students). The Cemetery is one of the richest historical resources in our community. People from all walks of life are buried in this over 150 year old cemetery. Rich, poor, famous, infamous, loved or forgotten alike, they are all buried here. The Cemetery provides an honorable resting place for all members of our community.

This annual event continues to be a collaboration between the McLean County Museum of History, Illinois Voices Theatre Echoes and the Cemetery.

We are on a mission to remember, honor and teach. Join us by sponsoring a wreath to be placed in honor of a veteran this December. We will ensure that their sacrifice is remembered yet again and passed on to a new generation of Americans.

What does it mean to sponsor a wreath? It means you will honor an American hero at Evergreen Memorial Cemetery in Bloomington on December 14th, 2019 on Wreaths Across America Day.

It is a day that has been set aside to lay wreaths at the places where we remember, honor and teach about our veterans living or deceased, and where we can pay tribute to their sacrifices. We cannot do that without your support. Your sponsorship will ensure that a wreath is handcrafted of all-American balsam and hand tied with a red velvet bow in Columbia Falls, Maine.

Wreaths are \$15.00 each. Honor your beloved living or deceased veteran by ordering in any of the following manner. Stop by Cemetery Office at 302 E. Miller St., Bloomington, IL or call 309/827-6950 or copy and paste the following link into your browser and click on the red donate button: <https://donate.wreathsacrossamerica.org/>. Cemetery orders will be accepted until November 30th.

Subject: Assessor Report

The amount of exemptions that are granted affects the amount of gross taxable value. In 2019 we saw a big increase in the exemptions, mainly in the disabled Veterans amounts. This does not mean that a taxing body will not receive what was requested, unless the rate is capped and maxed out. What it does mean is that the burden is shifted to other tax payers.

Graph 1 is the total EAV (Equalized Assessed Value). We see the growth from 2016 to 2019 from \$2,008,527,022 in 2016 to \$2,050,366,486 in 2019. That is about \$48,000,000 in growth.

Graph 2 is the total of Exemptions. In 2016 was \$141,258,887 then in 2019 to \$151,972,833. That is about a \$10,000,000 increase of exemptions granted.

Graph 3 is Total less the Exemptions. In 2016 the total taxable dropped to \$1,867,268,135 then in 2019 drops to \$1,898,393,653.
