The election authority shall offer in-person grace period voting at the election authority's office, any permanent polling place established under Section 19A-10, at any other early voting site beginning 15 days prior to the election, at a polling place on Election Day where grace period registration is required by this Section and may offer in-person grace period voting at additional hours and locations specifically designated for the purpose of grace period voting by the election authority. (10 ILCS 5/4-21, 5-28.1, 6-31.1)

NOMINATION PROCESS

PETITION REQUIREMENTS

The *2021 Candidate's Guide* published by the State Board of Elections gives an in-depth discussion of requirements for filing nominating papers.

Established party candidates for municipal offices are nominated by either a primary election or a caucus. Article 7 of the Illinois Election Code governs petition filing for a primary election. Article 10 of the Code governs independent and new party candidate petition filings, nonpartisan filings for certain municipalities, as well as the filing of certificates of nomination for the caucus method of nomination. Additional information on nonpartisan municipal elections is covered in the Municipal Code, 65 ILCS 5/3.1-5-5, *et seq.*

Schools and special purpose districts (e.g., parks and libraries) nominate candidates only on a nonpartisan basis. Information may be found in Article 10 and the respective statutes for each unit of local government.

Nomination papers filed by a candidate shall consist of the following (see 10 ILCS 5/7-10, 10-5):

1. Statement of candidacy.
2. Nominating petition sheets.
3. Receipt for filing a statement of economic interests. The statement itself is filed with the county clerk of the county in which the principal office of the unit of local government with which the person is associated is located. **NOTE:** While the receipt need not accompany the nominating petitions at the time of filing, the receipt must be filed no later than 5:00 PM on the last day for filing petitions. Filing the receipt by the last day of the filing period will not change the initial date and time of filing the nominating petitions. (5 ILCS 420/4A; 10 ILCS 5/7-12(8))
4. Loyalty oath (optional).

New Political Party Candidates. If the new political party receives more than 5% of the votes cast at that election, it becomes an established political party. If the new party does not become established by reaching the 5% threshold, the party must re-file as a new party in the next election cycle. (10 ILCS 5/10-2)

NOTE: Nomination papers for new political parties must include a certificate stating the names and addresses of party officers authorized to fill vacancies in nomination. **Failure to file this certificate may result in the party forfeiting the right to fill vacancies in nomination, but will not invalidate the petition.** (10 ILCS 5/10-5, 10-11); *Peoples Independent Party v. Petroff*, 191 Ill.App.3d 706 (5th Dist. 1989).

The “full-slate” requirement established in Section 10-2 of the Election Code was declared unconstitutional in *Libertarian Party of Illinois v. Scholz, et al.*, 872 F.3d 518 (7th Cir. 2017). As a result, new party candidates need not comply with the full-slate requirement.

PETITION CIRCULATION

No petition sheet may be circulated more than 90 days preceding the last day provided for the filing of such petitions. (10 ILCS 5/7-10, 10-4)

Petition circulation for established party candidates and nonpartisan municipal office candidates begins on August 25, 2020, and the filing period for those petitions is November 16-23, 2020. (10 ILCS 5/7-12(3), 10-4, 10-6(4))

Petition circulation for independent, new party, commission-municipal, and non-municipal nonpartisan office candidates begins on September 22, 2020, and the filing period for those petitions is December 14-21, 2020. (10 ILCS 5/10-4, 10-6(2))

Striking Signatures

The person circulating the petition, or the candidate on whose behalf the petition is circulated, may strike any signature from the petition provided that:

- 1) The person striking the signature shall initial the petition at the place where the signature is struck; and
- 2) The person striking the signature shall sign a certification listing the page number and line number of each signature struck from the petition. Such certification shall be filed as a part of the petition ([SBE Form P-2A](#)). (10 ILCS 5/7-10)

For independent candidates only, in addition to 1-2 above, the persons striking signatures from the petition shall each sign an additional certificate specifying the number of certification pages listing stricken signatures which are attached to the petition and the page numbers indicated on such certifications. The certificate shall be filed as a part of the petition, shall be numbered, and shall be attached immediately following the last page of voters' signatures and before the certifications of stricken signatures ([SBE Form P-2B](#)). (10 ILCS 5/10-3)

NOMINATION BY CAUCUS - MUNICIPALITIES

Established political party candidates for municipal offices are nominated by party caucus in cities, villages, and incorporated towns with a population of 5,000 or less. Municipal established party caucuses are to be held on December 7, 2020, which is the first Monday in December of even-numbered years. (10 ILCS 5/10-1(a)) Certificates of Nomination are filed with the municipal clerk during the filing period December 14-21, 2020. (10 ILCS 5/10-6(2))

NOTE: Municipalities with a population of 5,000 or less may, **no later than November 15, 2020**, determine by ordinance that political parties shall nominate candidates for municipal office by primary election. (10 ILCS 5/7-1(b)) **The municipality is responsible for all costs incurred relative to conducting a primary election.** (10 ILCS 5/17-30)

NOTICE OF CAUCUS

Publication of the time and place of holding the caucus shall be given by the municipal clerk. For municipalities with a population of more than 500, notice of the caucus must be printed in a newspaper published in the municipality. If there is no such newspaper, then the notice shall be printed in a newspaper published in the county with general circulation in the municipality. For municipalities with a population of 500 or less, notice of the caucus shall be given by the municipal clerk by posting the notice in three of the most public places in the municipality. The publication or posting shall be given at least 10 days before the caucus ([SBE Form N-6](#)). (10 ILCS 5/10-1(b))

PARTICIPATION IN CAUCUS

Only those voters who reside within the territory for which the nomination is made shall be permitted to vote or take part in the proceedings of the caucus ([SBE Form H-1A](#)). No voter shall participate in more than one party caucus. (10 ILCS 5/10-1(e))

POST-CAUCUS DOCUMENTS

After each established political party caucus, each party shall file a Certificate of Nomination by Caucus ([SBE Form H-2](#)). This form lists each candidate nominated for office. The Certificate of Nomination shall be accompanied by each candidate's Statement of Candidacy, ([SBE Form P-1](#)), their receipt for filing an economic interest statement, and the Name Change Supplement ([SBE Form H-2A](#)), if applicable. The Certificate of Nomination is filed with the municipal clerk between the 113th and 106th day (December 14-21, 2020) prior to the

consolidated election. The municipal clerk shall then file a Certification of Ballot ([SBE Form G-1](#)) to the election authority (county clerk or board of election commissioners) not less than 68 days (January 28, 2021) before the April 6, 2021 Consolidated Election. This Certification of Ballot lists the offices and names of the nominees for each office as they appear upon the Certificate of Nomination by Caucus. (10 ILCS 5/7-60.1, 5/10-1(a), 10-5.1)

ESTABLISHED PARTY BALLOT PLACEMENT LOTTERY

Prior to ballot certification to the election authority, the local election official shall determine by a fair and impartial method of random selection the order of placement of the **established political party candidates** for the consolidated election ballot and, in the case of certain municipalities having annual elections, on the general primary ballot for election. Such determination shall be made in the office of the local election official and shall be open to the public. Three days' written notice of the time and place of conducting such random selection shall be given by the local election official to the county chair of each established political party, and to each organization of citizens within the election jurisdiction which was entitled, under Article 7, at the next preceding election, to have pollwatchers present on the day of election. Each local election official shall post in a conspicuous, open and public place, notice of the time and place of such lottery. The local election official shall then file the Certification of Political Party Ballot Placement Lottery ([SBE Form M-1](#)) as part of their official certification of candidates to the election authorities whose duty it is to prepare the official ballot for the consolidated election in that political subdivision. (10 ILCS 5/7-60.1, 10-6.2)

GENERAL FILING INFORMATION

Candidate nominating petitions and caucus certificates of nomination shall be filed with the local election official (e.g., municipal clerk, city board of election commissioners, community college district secretary, park, library, and fire protection district secretary, etc.) of the political subdivision in which the candidate is seeking election. (10 ILCS 5/10-6) However, candidates for the office of: (1) regional school trustee file with the county clerk if single county, or with the State Board of Elections if multi-county; and (2) township school trustees (Cook County only) file with the township school treasurer. (105 ILCS 5/5-4, 6-10) Candidates for school director and members of the board of education file with the county clerk or the county board of election commissioners, as the case may be, of the county in which the principal office of the school district is located. (105 ILCS 5/9-10)

PRE-FILING NOTICE

The State Board of Elections suggests that the local election official or county clerk/county board of election commissioners give a pre-filing notice, possibly in the form of a press release issued to a local newspaper, indicating the time and location for the filing of nominating petitions ([SBE Form N-3](#)). For candidates for membership on a board of education, the School Code provides that if a pre-filing notice is given, it should be published at least 10 days before the first day of the filing period. (105 ILCS 5/9-10) All filing offices shall remain open until 5:00 PM on the last day of the filing period. (10 ILCS 5/1-4)

PROCEDURE FOR FILING OF NOMINATION PAPERS

1. ACCEPT AND ISSUE A RECEIPT FOR NOMINATION PAPERS (10 ILCS 5/10-6.2);
Community college secretaries and county clerk/county board of election commissioners shall also, within seven days of filing or on the last day for filing, whichever is earlier, acknowledge receipt of the petition. This receipt should bear the date and time of filing as well as the signature of the community college secretary or the county clerk/county board of election commissioners.
(10 ILCS 5/10-6.2; 105 ILCS 5/9-10; 110 ILCS 805/3-7.10);

NOTE: All certificates of nomination and nomination papers when presented or filed shall be available for public inspection. (10 ILCS 5/10-7) In accordance with the Freedom of Information Act, copying should be available at a reasonable cost.

If a political subdivision does not have an official office, the local election official (or their designee) shall designate the time and location at which they will receive petitions. Notice should be given in a newspaper of general circulation and posted in a conspicuous public location. **The location designated for petition filing must remain open until 5 PM on the last day of petition filing.** (10 ILCS 5/1-4(a))

MULTIPLE SETS OF NOMINATION PAPERS

If multiple sets of nomination papers are filed for a candidate to the same office, the State Board of Elections, appropriate election authority, or the local election official with whom the petitions are filed shall, within two business days, notify the candidate of their multiple petition filings and that the candidate has three business days after receipt of the notice to notify the State Board of Elections, appropriate election authority, or the local election official that the candidate may cancel prior sets of petitions. If the candidate notifies the State Board of Elections, appropriate election authority, or the local election official, the last set of petitions filed shall be the only petitions to be considered valid by the filing office. If the candidate fails to notify the filing office, then only the first set of petitions filed shall be valid and all subsequent petitions shall be considered void. (10 ILCS 5/7-12(11), 10-6.2)

BOARDS OF EDUCATION AND SCHOOL DIRECTORS

The county clerk or the county board of election commissioners shall receive petitions from candidates for school director and members of the boards of education which include a statement of candidacy, the required number of voter signatures, the notarized signature of the petition circulator, and a receipt from the county clerk showing that the candidate has filed the required statement of economic interests on or before the last day to file as required by the Governmental Ethics Act. Nomination papers filed under this section in the Election Code are not valid unless the candidate files a receipt showing a statement of economic interests has been filed. (105 ILCS 5/9-10)

The county clerk or board of election commissioners shall, within seven days of filing or on the last day of filing, whichever is earlier, acknowledge to the person filing the petition, in writing, the office's acceptance of the petition. This may be done by a Receipt of Filing containing the date and time of filing. (105 ILCS 5/9-10)

The lottery shall be conducted within nine days after the last day of the petition filing period and shall be open to the public. The local election official shall give seven days' written notice of the time and place of the lottery to the candidates involved, and any civic groups who had been entitled to have pollwatchers present at the last election, as well as posting the notice in a conspicuous open and public place. (10 ILCS 5/7-12(6), 10-6.2) Please see the official *2021 Election and Campaign Finance Calendar* for specific dates.

Who is eligible for the Simultaneous Filing Lottery?

All other petitions received shall be deemed filed in the order of actual receipt.
(10 ILCS 5/7-12(6), 10-6.2)

WHAT ARE THE LOTTERY PROCEDURES?

The lottery system to be used by the local election officials is found in State Board of Elections' Rules and Regulations 201.40 and 202.40 on simultaneous filing lotteries (see pages 45-47). **Any other lottery or system of impartial random selection used to determine candidate ballot order for simultaneous petition filings must be approved by the State Board of Elections.** (10 ILCS 7-12(6), 10-6.2)

For special lottery provisions for school board candidates, grouped together by congressional townships or according to incorporated or unincorporated areas, refer to pages 48-49 of this handbook for school officials. (105 ILCS 5/9-11.1, 9-11.2)

CAMPAIGN DISCLOSURE DOCUMENTS

At the time of filing, the local election official must provide each candidate with a D-5 Notice of Obligation. If the candidate files their petitions in person, the local election official must give the notice to the candidate "over the counter" and obtain a receipt. If an agent files the candidate's petition or if the candidate files by mail, the local election official, within two business days of receipt of the candidate's petition, must send the notice to the candidate by first class mail. The notice briefly outlines who is required to file under the campaign disclosure law and the penalties for failure to file. (10 ILCS 5/7-11.1, 9-16, 10-6.1)

A Guide for Campaign Disclosure and the necessary forms are available, upon request, from the State Board of Elections. They can also be downloaded from the State Board of Elections' website at www.elections.il.gov.

When petitions for a public question are filed with the local election official, the SBE recommends that the official provide a D-5 Notice of Obligation to the proponent whose name is indicated on the certificate attached to the petition or to the attorney for the proponents if no name is listed.

PETITION OBJECTIONS AND HEARINGS

Any objections to nominating petitions must be filed with the filing officer (who received the original petitions) within five business days following the last day of the petition filing period. Objection petitions that do not include an original and two copies shall not be accepted. The filing officer shall note the day and hour of filing upon the objector's petition, and shall, not later than 12:00 noon on the second business day after receipt of the objector's petition, transmit by registered mail or receipted personal delivery the certificate of nomination or nomination papers and the original objector's petition to the chair of the proper electoral board (or authorized agent). A copy of the objections must also be sent by registered mail or receipted personal delivery to the candidate against whose petition an objection was filed. (10 ILCS 5/7-12.1, 10-8)

Within 24 hours after receipt of the objector's petition, the chair of the electoral board (other than the SBE) shall **send a call by registered or certified mail**, to each of the members of the electoral board, the objector and candidate (or the attorney for proponents of a question of public policy), and shall also cause the sheriff of the county or counties in which such officers and persons reside to serve a copy of such call upon each of the officers and persons. The call shall set out the fact that the electoral board is required to meet and hear the objection, and to state the day, hour, and place at which the electoral board shall meet. In the case of a County Officers Electoral Board, the hearing shall be held in the county courthouse. The Municipal Officers Electoral Board and the Education Officers Electoral Board may meet at the regular meeting location of the governing body of the municipality, school, or community college district, respectively. **The initial meeting** of the electoral board **shall not be less than three nor more than five days after receipt of the objector's petitions** by the chair of the electoral board. (10 ILCS 5/7-12.1, 10-10)

Within five days after the decision of the electoral board, the candidate or objector aggrieved by the decision of the board may file petition for judicial review with the clerk of the circuit court. **Court hearings are to be held within 30 days after the filing of the petition** and the decision delivered promptly thereafter. If no petition for judicial review is filed **within five days after the decision of the electoral board, the electoral board shall transmit a copy of its ruling together with the original certificate of nomination or nomination papers or petitions and the original objector's petitions** to the officers or board with whom they were on file and such officer or board shall abide by and comply with the ruling so made to all intents and purposes. Any other electoral board vacancies shall be filled by public members appointed by the Chief Judge of the Circuit Court for the county where the electoral board hearing is being held, upon notification to the Chief Judge. The Chief Judge shall be notified of the vacancy by a member of the electoral board or the officer or board with whom the objector's petition was filed. In the event that none of the individuals designated to serve on the electoral boards are eligible, the chair of the electoral board shall be designated by the Chief Judge. (10 ILCS 5/10-9)

Any candidate who has filed petitions may withdraw their candidacy. The withdrawal must be in writing, signed by the candidate, dated, and notarized. The written withdrawal must be submitted to the same election official who received the original petitions not later than the date for certification of candidates for the ballot. No candidate name withdrawn in accordance with the provisions of the Election Code shall be printed upon the ballots. If the request for withdrawal is received after the date for certification of the candidates for the ballot, then the votes cast for the withdrawn candidate are invalid and shall not be reported by the election authority. (10 ILCS 5/10-7)

Requests for Withdrawal should be submitted using [SBE Form P-25](#).

(10 ILCS 5/10-15(6)(7))

BALLOT PLACEMENT: NOMINATION BY PRIMARY (ESTABLISHED PARTIES)

Candidate Names

When there are two or more candidates nominated by the same political party for multiple offices on a board (e.g., village trustee), the order of candidates' names on the ballot shall follow the order of the number of votes received by them respectively at the consolidated primary election (i.e., the candidate with the highest number of votes will be first on the ballot). (10 ILCS 5/7-60.1)

Established Party Names

The order in which each party appears on the consolidated election ballot is determined by a public lottery prior to the canvass and proclamation of the results of the primary. The lottery is held in the office of the local election official and shall be open to the public. The local election official must give three days' written notice of the time and place for the lottery. The notice must be sent to each county chair and each civic organization entitled to have pollwatcher credentials at the preceding consolidated primary election. Candidate Names

Caucus nominees must be certified and placed on the consolidated election ballot in the order they appear on the caucus certificate. (10 ILCS 5/7-60.1)

Established Party Names

The procedures for the lottery are the same as those listed for holding a lottery in municipalities having a primary. The order of the party placement is part of the official certification ([SBE Form M-1](#)).

BALLOT PLACEMENT: NEW POLITICAL PARTIES

New political parties must be certified in the order in which the petitions were received or as determined by lottery if petitions were filed simultaneously by more than one candidate as of the opening hour or in the last hour of the filing period. New parties appear on the ballot after established parties. (10 ILCS 5/10-14, 10-15)

BALLOT PLACEMENT: INDEPENDENT CANDIDATES

Independent candidates must be certified in the order in which the petitions were filed or as determined by lottery if petitions were filed simultaneously by more than one candidate as of the opening hour or in the last hour of the filing period. Independents are listed on the consolidated election ballot after new political parties. If there are no new parties, independent candidates follow established party candidates. (10 ILCS 5/10-15, 16-3)

BALLOT PLACEMENT: NONPARTISAN CANDIDATES

No party name or designation may appear before the listing of nonpartisan candidates. Candidates for nonpartisan offices must be certified in the order the petitions are filed or as determined by lottery in the case of simultaneous filings in the opening hour or in the last hour of the filing period. (10 ILCS 5/10-15)

AMENDED CERTIFICATIONS

Important to Remember: The election authority, board of election commissioners, or the local election official must issue an amended certification if:

1. The original certification is incorrect (10 ILCS 5/7-60.1, 10-15);

NOTICE OF ELECTION

The election authority shall publish the notice of the consolidated primary and consolidated election. (10 ILCS 5/7-15) The following are notice requirements for the election of both candidates and referenda.

Notice of Assistance to Elderly and Voters with Disabilities: At least 60 days prior to the primary election, the election authority shall provide public notice, calculated to reach elderly voters and voters with disabilities, of the availability of registration and voting aids under the Federal Voting Accessibility for the Elderly and Handicapped Act, 52 USCA §20101, *et seq.*, the availability of assistance in marking the ballot, and procedures for early voting or voting by mail. (10 ILCS 5/7-15, 12-1)

Notice deadline: **December 28, 2020** for the consolidated primary, **February 5, 2021** for the consolidated election. (10 ILCS 5/1-6(a), 7-15, 12-1)

Notice by Publication for Consolidated and Nonpartisan Elections: Not more than 30 nor less than 10 days prior to the consolidated and nonpartisan elections, the election authority shall publish a notice of the upcoming election to be held in the jurisdiction. (10 ILCS 5/12-4)

PUBLIC QUESTION(S) – NOTICE

Not more than 60 nor less than 10 days before a regular election at which a public question to be voted on within the political subdivision is to be submitted, the election authority shall publish notice of the referendum. In the case of an emergency referendum, the election authority must post notice of the election at least 20 days before the emergency referendum. The notice shall be published once in a local, community newspaper having general circulation in the political or governmental subdivision. (10 ILCS 5/12-5)

The notice shall also be posted at the principal office of the election authority at least 10 days before the election. The local election official shall post the notice at the principal office of the political or governmental subdivision, or if there is no principal office, at the building in which the governing body of the political or governmental subdivision held its first meeting of the calendar year in which the referendum is being held. In addition, the notice shall set forth the public question as it will appear on the ballot and shall include any information required by the statute authorizing the question and may include an explanation, in neutral and plain language, of the question and its purposes supplied by the governing body of the political or governmental subdivision to whose voters the question is to be submitted. The notice shall set forth the precincts and polling places at which the referendum will be conducted only in the case of emergency referenda. (10 ILCS 5/12-5)

BALLOTS

The election authority shall prepare and have printed the ballots for the consolidated primary and consolidated elections. In optical scan jurisdictions, the signature shall be printed on the front of the ballot. (10 ILCS 5/7-16, 7-20, 7-21, 16-3, 16-4.1, 24-11, 24A-6, 24B-18)

Specimen ballots for the consolidated primary are distributed to each political party participating in the primary, to the election judges, and to the appropriate local election officials. The local election official shall publish a copy of the specimen ballot for their unit of local government and may do so as part of the notice posting. (10 ILCS 5/7-21)

CANVASS AND PROCLAMATION

Local Canvassing Boards were abolished by Public Acts 94-0647 and 95-0141. A reference to a local or county canvassing board means (i) for elections in which the political subdivision that is choosing candidates or submitting a public question is located entirely within the jurisdiction of a single election authority, that election authority and (ii) for elections for offices and public questions not listed in Section 22-1 of the Election Code in which the political subdivision that is choosing candidates or submitting a public question is located within the jurisdiction of two or more election authorities, the election authority having jurisdiction over the location at which the political subdivision has its principal office. (10 ILCS 5/1-8)

RECOUNTS AND CONTESTS

DISCOVERY RECOUNTS

Within five days after the last day for proclaiming the results of the election, any candidate defeated in the election who received votes equal to 95% of the number of votes received by any successful candidate for the same office may file a petition for a discovery recount with the election authority. (10 ILCS 5/22-9.1(a)) Any five electors of the same area in which votes were cast for a public question may file a petition for discovery if the losing side of the question would have prevailed had it received an additional number of votes equal to 5% of the total votes cast. (10 ILCS 5/22-9.1(b), 24A-15.1, 24B-15.1, 24C-15.1)

The election authority manages the required notices when there is a discovery petition filed against a candidate or a question of public policy.

The election authority conducts the discovery recount. The results of a discovery recount cannot be certified and a discovery recount cannot be used to amend or change the abstract of votes or be used to deny the successful candidate his election. A discovery recount does not change the results for candidate elections or questions of public policy. The recount is not a prerequisite for an election contest nor can it prevent an election contest.

(10 ILCS 5/22-9.1(b))

ELECTION CONTESTS

Within 10 days after the consolidated primary, or within 30 days after declaration of the results of the consolidated election for the political subdivision, any losing candidate for office or any qualified voter in that political subdivision may contest the election of the winning candidate by filing a petition with the clerk of the circuit court.

(10 ILCS 5/7-63, 23-20, 23-26)

The circuit court shall hear and determine the election contest and shall confirm or annul the election and, as to an individual candidate, shall declare as elected the winning candidate.

(10 ILCS 5/23-23)

A court hearing an election contest shall grant a petition for recount properly filed where, based on the facts alleged in such petition, there appears a reasonable likelihood the recount will change the results of the election. (10 ILCS 5/23-23.2)

ELECTION CONTESTS – REFERENDA

In the case of questions of public policy, any five electors of the State, political subdivision, or district may contest the results within 30 days after the results of the election have been determined. The proceedings are held before the circuit court. (10 ILCS 5/23-24)

VACANCIES IN NOMINATION

A vacancy in nomination occurs when a candidate nominated for office dies, declines the nomination or, by reason of disability or legal disqualification, could not serve in the office if elected. A vacancy is filled by resolution to the local election official, election authority, or the State Board of Elections, as the case may be.

(10 ILCS 5/7-61, 10-11; 26 Ill. Adm. Code 207.10)

VACANCIES IN NOMINATION – ESTABLISHED PARTIES

Vacancies in Nomination for Established Parties are governed by Articles 7 and 25 of the Illinois Election Code, 10 ILCS 5, *et seq.*

A “vacancy in nomination” occurs after the primary but before the general election. Specific timelines are discussed further below.

Who fills the vacancy for partisan offices?

If the vacancy occurs for a statewide office, that party’s state central committee fills the vacancy.

If the vacancy occurs for a State Senate office, the legislative committee fills the vacancy.

If the vacancy occurs for a State Representative office, the representative committee fills the vacancy. (10 ILCS 5/7-61)

If the vacancy occurs for a partisan office of a local municipality or township, the make-up of the committee to fill the vacancy is governed by 10 ILCS 5/7-8(h).

The appropriate committee to manage the process of filling a vacancy in nomination, as listed above, is referred to as the “managing committee.”

After a **partisan** consolidated primary, the vacancy in nomination is filled by resolution of the municipal central committee of the established political party for which the vacancy exists. If no candidate’s name was printed on the ballot for a particular office and if no person was nominated as a write-in candidate for that office, a vacancy in nomination is created and may be filled by the appropriate managing committee.

The managing committee of a local political party established only within the municipality or township is composed of the party officers. The officers are the party’s candidates who were nominated at the primary. If no primary was held because every nomination was uncontested, then the remaining candidates are the party officers. (10 ILCS 5/7-8(h))

VACANCY ON OR AFTER THE PRIMARY

Any vacancy in nomination occurring on or after the primary and prior to certification must be filled by resolution prior to the date of certification of the ballot. This applies to established party and new party candidates. (10 ILCS 5/7-61, 10-11)

VACANCY AFTER CERTIFICATION

For both established party and new party candidates, any vacancy in nomination occurring after the date of certification but prior to 15 days before the general election must be filled within eight days of the event creating the vacancy. Within three days after the managing committee adopts its resolution to fill the vacancy, a notice of resolution is delivered to the election authority. The name of the person appointed to fill the vacancy will appear on the ballot instead of the name of the original nominee. (10 ILCS 5/7-61, 10-11)

VACANCY WITHIN 15 DAYS OF ELECTION

For both established party and new party candidates, any vacancy in nomination occurring 15 days or less before the election shall not be filled and the name of the original nominee shall appear on the ballot. If the result of the official canvass shows that the original nominee received the greatest number of votes, that candidate is proclaimed elected and a vacancy in office is created. (10 ILCS 5/7-61, 10-11)

VACANCIES IN NOMINATION – NEW PARTIES

Vacancies in Nomination for new party candidates are governed by Articles 10 and 25 of the Illinois Election Code, 10 ILCS 5, *et seq.* Any vacancy in nomination of new political party candidates that occurs prior to the date of certification for the consolidated election may be filled by resolution by the party officers prior to the certification date. A vacancy occurring after certification but prior to 15 days before the consolidated election may be filled by resolution by the new party officers within eight days after the event creating the vacancy. The party officers are those individuals named in the certificate of officers attached to the petition to create a new political party. If the new political party failed to file a certificate of party organization, vacancies cannot be filled. Any vacancy occurring 15 days or less before the consolidated election cannot be filled and the name of the original nominee appears on the ballot. If the results of the official canvass show that the original nominee received the highest number of votes, that candidate is proclaimed elected, which then creates a vacancy in office. (10 ILCS 5/10-11)

NOTE: Resolutions to fill vacancies in nomination must be sent by U.S. mail or personal delivery to the certifying officer or board within three days of the action by which the vacancy was filled. If the resolution is sent by mail and the postmark on the envelope is dated prior to expiration of the three-day period, the notice of resolution is deemed filed within the three-day limit. Failure to transmit a notice or resolution to the certifying officer or board authorizes the officer or board to certify the original candidate.

A resolution to fill a vacancy in nomination must be notarized and include the name of the original nominee and the office vacated, the date the vacancy occurred, the name and address of the nominee selected to fill the vacancy, and the date of selection. (10 ILCS 5/10-11)

VACANCIES IN NOMINATION – INDEPENDENT CANDIDATES

Whenever the name of an independent candidate for an office is withdrawn or declared invalid, a vacancy in nomination does not exist and the filing of any notice or resolution purporting to fill a vacancy in nomination shall have no legal effect. (10 ILCS 5/10-7)

VACANCIES IN ELECTED OFFICE

Vacancies in an elected office are generally governed by Article 25 of the Illinois Election Code, 10 ILCS 5/25, *et seq.* A vacancy in office occurs whenever an elected official is unable to complete their term of office. The State Board of Elections advises seeking the advice of your attorney, or the state's attorney of your county, for direction as to filling vacancies in office. The information on the next few pages provides general information only for the filling of vacancies in certain offices.

Vacancies can occur for any of the following reasons:

1. The death of the incumbent.
2. The elected official's resignation in writing filed with the Secretary or Clerk of the Board.
3. The elected official becoming a person under legal disability.
4. The elected official moving out of the State, or if the office is local, the district, county, town, or precinct for which they were elected.
5. The elected official being convicted of an infamous crime, or of any offense involving a violation of official oath.
6. The elected official being removed from office.
7. The elected official's refusal or neglect to take the oath of office, or to give or renew their official bond, or to deposit or file such oath or bond within the time prescribed by law.
8. The decision of a competent tribunal declaring their election void.

No elective office, except as herein otherwise provided, shall become vacant until the successor of the incumbent of such office has been appointed or elected and qualifies for the office. (10 ILCS 5/25-2)

MUNICIPAL OFFICE VACANCIES – POPULATION LESS THAN 500,000

Under the Illinois Municipal Code, a Vacancy in a Municipal Office can occur under the following circumstances:

- vacancy by death or permanent physical or mental disability; 65 ILCS 5/3.1-10-50(b)
- abandonment of office; 50(c)(1)
- removal from office; 50(c)(1)
- failure to qualify for elected office; 50(c)(1)
- more than temporary removal of residence from the municipality, ward, or district; 50(c)(1)
- an admission of guilt or a conviction of a criminal offense; 50(c)(2)
- if the election of the officer is declared void; 50(c)(3)
- if the elected officer fails to pay a debt to a municipality in which they have been elected or appointed to an elected position (subject to additional provisions). 50(c)(4)

Vacancies in Municipal Offices with a Four-Year Term

When a vacancy occurs in an elective municipal office with at least 28 months remaining in a four-year term, and the vacancy occurs at least 130 days before the next consolidated election, the vacancy is filled for the remainder of the term at that consolidated election. Until that election, the vacancy is filled by interim appointment. (Exception: City Clerk and Treasurer and officers in the Managerial form of government). If the vacancy occurs with less than 28 months remaining in the term, the appointee serves the remainder of the unexpired term. (65 ILCS 5/3.1-10-50)

For the office of **mayor**, the city council shall elect one of their members acting mayor. The appointee serves as acting mayor and council member. (Exception: Commission or Managerial form of government). (65 ILCS 5/3.1-10-50(f)(1))

For the office of **village president**, the village board of trustees appoints one of the village trustees acting president until the consolidated election. For villages of less than 5,000 in population, such appointment may be filled by any other qualified village resident if all members of the board of trustees either decline the appointment or are not approved for the appointment by a majority vote of the trustees presently holding office. The appointee serves as acting president and trustee. (65 ILCS 5/3.1-10-50(f)(1))

A vacancy in the office of **city clerk** or **treasurer** is filled by the mayor with the advice and consent of the city council. The person so appointed shall hold office for the unexpired term of the officer elected, regardless of the amount of time left in the term. (65 ILCS 5/3.1-20-5)

If the vacancy is in any other elective office, the mayor or president shall appoint a qualified person to the office subject to the advice and consent of the city council or trustees until the next consolidated election. (65 ILCS 5/3.1-10-50)

When a vacancy occurs in an office that has a two-year term, the vacancy is filled by appointment for the remainder of the term. (65 ILCS 5/3.1-10-50)

The election of an acting mayor or acting president does not create a vacancy in the original office of the person on the city council or as a trustee, as the case may be, unless the person resigns from the original office following election as acting mayor or acting president. (65 ILCS 5/3.1-10-50(d))

Commission Form of Municipal Government

If a vacancy occurs in the office of mayor or commissioner, the remaining members of the council, within 30 days after the vacancy occurs, shall appoint a person to fill the vacancy for the balance of the unexpired term or until the vacancy is filled by interim election and until the successor is elected and qualified. (65 ILCS 5/3.1-10-50, 5-2-12(g))

Whenever a vacancy occurs in the office of a trustee in any village, whether incorporated under a general or a special Act, the vacancy shall be filled for the remainder of the term as provided in 65 ILCS 5/3.1-10-50. During the period from the time that the vacancy occurs until a trustee is elected under this Section and has qualified, the vacancy may be filled by the appointment of a trustee by the president with the advice and consent of the remaining trustees. An appointment to fill a vacancy shall be made within 60 days after the vacancy occurs. (65 ILCS 5/5-2-12(g))

TOWNSHIP OFFICE VACANCIES

When a vacancy occurs in any township office (except township or multi-township assessor) the township board shall fill the vacancy by appointment, and the person so appointed shall hold their respective offices for the remainder of the unexpired term. If a vacancy on the township board is not filled within 60 days, then a special township meeting must be called under 60 ILCS 1/35-5 to select a replacement. The electors at the special township meeting may select a qualified person to fill the vacancy and to serve until the expiration of that term. At the meeting the electors may select the replacement officer by voice vote, and the person receiving the greatest number of votes shall be declared to be elected as the officer. Any person appointed to fill a vacancy shall be a member of the same political party as the person vacating the office. (60 ILCS 1/35-35, 60-5(a)(b))

Township or Multi-township Assessor

When any township or multi-township assessment district fails to elect an assessor or when a vacancy occurs, the township or multi-township board of trustees shall fill the vacancy in the township or multi-township assessment district by appointing a person qualified as required by 35 ILCS 200/2-45 or as revised by the Department of Revenue under 35 ILCS 200/2-52. A person appointed to fill a vacancy must be a member of the same political party as the person vacating the office. In the alternative, a township or multi-township assessment district shall contract with a person qualified under Section 2-45 or as revised by the Department of Revenue under Section 2-52 to do the assessing at a cost no greater than the maximum salary authorized for that township or multi-township assessment district under Section 2-70. (35 ILCS 200/2-45, 2-52, 2-60)

Highway Commissioner and Clerk – Counties not under Township Organization

When a vacancy occurs in road district offices, the presiding officer of the county board, with the advice and consent of the county board, shall fill the vacancy by certificate under the signature and seal of the county clerk; and the person so appointed shall hold their respective offices until the next regular election, and until their successors are elected and qualified. (605 ILCS 5/6-121)

PUBLIC QUESTIONS (REFERENDA)

Article 28 of the Election Code shall govern the procedures for the initiation and submission of public questions at all regular elections and emergency referendum. These include: questions initiated by ordinance or resolution of a political subdivision's governing body, legally binding questions, advisory questions, and questions initiated by petition.

Whenever a statute specifically provides for the initiation of a public question by petition, the provisions set forth in that statute shall govern specific aspects of the petition requirements, including the number of signatures required, the qualifications of persons entitled to sign the petition, the petition contents, the filing location, and requirements and the form of the question to be submitted. Otherwise, the petition must meet the requirements of Section 28-6. (10 ILCS 5/28-1)

QUESTIONS HAVING LEGAL EFFECT

Legally binding public policy questions are those authorized by a political subdivision statute (e.g., School Code, etc.) or another statute (e.g., Revenue Act, etc.). Questions of public policy which have any legal effect shall be submitted by referendum only as authorized by a statute or by the Illinois Constitution. (10 ILCS 5/28-1)

Where a political subdivision or other statute so provides, public questions of a legally binding effect may be initiated by ordinance or resolution adopted by the political subdivision's governing body. Furthermore, there may be restrictions set forth in the statute governing the referenda that limit the public question to submission at a particular election. No public question shall be submitted to the voters of a political subdivision at any regularly scheduled election at which such voters are not scheduled to vote for candidates for nomination or for election to public office. (10 ILCS 5/28-1)

ADVISORY QUESTIONS

Advisory questions are local and statewide questions of public policy (authorized under Sections 28-6 or 28-9 of the Illinois Election Code). There is no binding legal effect from the adoption or rejection of the specific proposition. (10 ILCS 28-6(c)) Advisory questions shall be submitted to referendum pursuant to Section 28-5 or by statute. (10 ILCS 5/28-1)

An advisory question petition must be signed by 8% of the total votes cast for Governor in the most recent gubernatorial election, cast by the registered voters of that jurisdiction. (10 ILCS 5/28-5)

Petitions for advisory questions (that meet the 8% requirement above) are filed with the local election official or election authority, as the case may be. Petitions for advisory questions should be filed with the appropriate board of election commissioners in municipalities which have adopted Article 6, or in townships or school districts located entirely within the jurisdiction of a municipal board of election commissioners. (10 ILCS 5/28-6)

NOTE: Advisory questions of public policy can be initiated by resolution in municipalities, townships, counties, school districts, and park districts. (10 ILCS 5/28-2(c); 65 ILCS 5/3.1-40-60; 60 ILCS 1/80-80; 55 ILCS 5/5-1005.5; 105 ILCS 5/9-1.5; 70 ILCS 1205/8-30)

PETITION FILING TIMEFRAMES

Petitions for the submission of public questions to referendum:

Must be filed with the appropriate officer or board not less than 92 days prior to a regular election to be eligible for submission on the ballot at such election. (10 ILCS 5/28-2(a)) Some exceptions apply, as detailed in Section 28-2(b)-(g).

Petitions for the submission of a question under Section 18-120 of the Property Tax Code:

Must be filed with the appropriate officer or board no more than 10 months nor less than 6 months prior to the election at which such question is to be submitted to the voters. (10 ILCS 5/28-2(a))

If a petition initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 92 days after the filing of the petition or not less than 122 days after the filing of a petition for referendum to create a political subdivision. If a resolution or ordinance initiating a public question does not specify a regularly scheduled election, the public question shall be submitted to referendum at the next regular election occurring not less than 79 days after the adoption of the resolution or ordinance. (10 ILCS 5/28-2(e))

NOTE: The SBE recommends that the local election official provide a D-5 Notice of Obligation as provided under the Campaign Financing Act to the proponent whose name is indicated on the certificate attached to the petition or to the attorney for the proponents (if known) when no name is listed.

BACK DOOR REFERENDA

A back door referendum is the submission of a public question to the voters of a political subdivision to determine whether an action by the governing body shall be adopted or rejected. (10 ILCS 28-2(f)) The referendum must appear on the ballot at an election no more than 15 months after the petition initiating the question is filed. (10 ILCS 28-2(d))

The filing requirements for a back door referendum are generally those specified above for public question petitions (see page 41), except as provided by a political subdivision statute, and the requirements shall be included in the publication of the relevant ordinance or resolution. (10 ILCS 5/28-2(f)) Section 28-2 provides that the secretary or clerk of the political subdivision shall provide petition forms, signature requirements, and filing deadlines for back door referenda. The legal sufficiency of that form, if provided by the secretary or clerk of the political subdivision, cannot be the basis of a challenge to placing the back door referendum on the ballot.

If the statute provides that a back door petition may be filed within 30 days after the publication of a local ordinance, such petition must still be filed not less than 92 days before the next regular election to be eligible for submission at that election. (10 ILCS 5/28-2(c)(e))

CERTIFICATION OF PUBLIC QUESTIONS

Not less than 68 days before a regular election, each local election official shall certify the public question initiated by petition, resolution, or ordinance of the local governing body to the proper election authorities for submission to the voters of the political subdivision at that election. The certification shall include the form of question for placement on the ballot and the date on which the question was initiated, either by petition, resolution, ordinance, or court order. Additionally, the certification for annexation to, disconnection from, or formation of political subdivisions shall include a description of the affected territory whenever such territory is not coterminous with an existing political subdivision. (10 ILCS 5/28-5)

Regardless of the method of initiation, not more than three public questions may be on the ballot per political subdivision at the same election, except for:

- (a) back door referenda;
- (b) referenda to determine whether a disconnection may take place where a city is coterminous with a township is proposing to annex territory from an adjacent township;
- (c) referenda held under the provisions of the Property Tax Extension Limitation Act;

(d) referenda held under Section 2-3002 of the Counties Code, or referenda held under Article 22, 23, or 29 of the Township Code. (10 ILCS 5/28-1)

If more than three questions are timely and properly submitted for one election, or if more than three questions are certified by a local election official to the proper election authorities, the first three questions timely and validly filed shall be certified and appear on the ballot.

Whenever the three-question limitation prevents the certification and submission of a question at an election, the local election official in receipt of the initiating petition, resolution, or ordinance or the election authority in receipt of the certification shall give notice of such limitation by registered mail as follows:

1. In the case of a petition, to the person designated on the attached certificate as the proponent or attorney for the proponents;
2. In the case of a certification from a local election official, the election authority shall give notice to the election official who shall notify the proponent or the local governing body, as the case may be;
3. In the case of a certification from a circuit court clerk pursuant to court order, the election authority shall notify the court, which shall give notice to the individuals cited in #1. (10 ILCS 5/28-5)

IMPORTANT: When certifying a public question, the local election official must make certain that the question reads exactly as shown on the petition, resolution, ordinance, or court order. The State Board of Elections recommends carefully proofreading the question to ensure that it matches the petition language exactly ([SBE Form G-1B](#)).

OBJECTIONS TO PUBLIC QUESTION PETITIONS

Generally, the provisions of Sections 10-8 through 10-10.1 relating to objections to nominating petitions, hearings on objections, and judicial review govern the objections for public questions. (10 ILCS 5/28-4)

1. For objections to petitions filed with local election officials:

Objections to a public question petition may be filed with the local election official with whom the petition was filed within five business days of the last day for petition filing. The provisions of 10 ILCS 5/10-8 through 10-10.1 relating to objections to nominating petitions, electoral board hearings on objections, and judicial review shall be applicable to petitions for public questions of a political subdivision.

2. For objections to petitions filed with the circuit court:

Objections shall be presented to the court prior to the date established for the hearing. Unless otherwise provided in the statute authorizing the public questions, the court shall:

- a. set a hearing on the objection petition;
 - b. cause publication of notice of the hearing as soon as possible after the filing of the petition, but not more than 14 days after the filing of the petition for referendum and not less than five days before the date set for hearings, in a local newspaper published in the political subdivision, or if none, in a general circulation newspaper published in the county;
 - c. insofar as practicable, conduct such hearing in the manner provided by Article 10 for electoral board objection hearings; and
 - d. enter a final order not later than seven days after the initial hearing.
- (10 ILCS 5/28-4)

CONTESTING REFERENDA ELECTIONS

The procedures for contesting a referendum election are governed by 10 ILCS 5/23-24.

Any five electors of the State, or of the political subdivision or district respectively, may contest the results of any such election by filing a written statement in circuit court within 30 days after the election results have been determined. (10 ILCS 5/23-24)

SIMULTANEOUS FILINGS – LOTTERY PROCEDURES

STATE BOARD OF ELECTIONS - RULES AND REGULATIONS

26 Ill. Admin. Code 100.10, *et seq.*

SECTION 201.40 SIMULTANEOUS FILING FOR THE SAME OFFICE – Established Parties

Simultaneous filings of candidate nominating petitions for the same office occur only at 8:00 AM on the first day of filing, and in the last hour of filing on the last day of filing. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from simultaneous filings must be approved by the State Board of Elections. The following system has been so approved:

- a) The names of all candidates who filed simultaneously for the same office shall be listed alphabetically and shall be numbered consecutively commencing with the number one, which shall be assigned to the candidate whose name is listed first on the alphabetical list; provided, however, that candidates filing a group petition for the same office shall be treated as one in the alphabetical listing using the name of the first candidate for that office to appear on the petitions as the name to be included in the alphabetical list. For example, if five candidates by the name of Downs, Brown, Edwards, Cook and Adams have filed simultaneously, they will be arranged alphabetically and assigned numbers as follows: Adams, one; Brown, two; Cook, three; Downs, four; and Edwards, five. However, if Cook and Adams filed a group petition and Cook's name appeared first on the petition, then the candidates would be arranged as follows: Brown, one; Cook and Adams, two; Downs, three; and Edwards, four.
- b) All ties will be broken by a single drawing. A number shall be placed in a container representing each number assigned to each candidate and group of candidates pursuant to the alphabetical listing procedure set forth in subsection (a). For example, if the largest number to be used for any office is five, then numbers one, two, three, four and five will be placed in a container. In this manner, sufficient numbers will be placed in the container to conduct a drawing for all offices at the same time.
- c) After the numbers are placed in the container they shall be drawn one at a time from the container after they have been thoroughly shaken and mixed. The candidate or group of candidates in the position on an alphabetical list corresponding to the first number drawn shall be certified ahead of the other candidates listed on the alphabetical list. The candidate or group of candidates in the position on the alphabetical list corresponding to the second number drawn will be certified second, and so forth until all numbers have been drawn. For example, when no group petitions were filed, if candidates Adams, Brown, Cook, Downs and Edwards filed simultaneously at 8:00 AM on the first day of filing, and the number three is the first drawn, then candidate Cook, who is listed in the third position on the alphabetical list, shall be certified first on the ballot. If the number one is drawn second, then candidate Adams, who is listed in the first position on the alphabetical list, shall be certified second on the ballot, and so on. For offices for which group petitions were filed, using the example set forth in this subsection (c) in which candidates Cook and Adams file a group petition for the same office, and Cook's name appears first on the petition, and number three is drawn first,

then candidate Downs would be listed first. If the number two is drawn second, then candidates Cook and Adams would be certified second and third, respectively. If the number four is drawn third, then candidate Edwards would be certified fourth, and so on. In districts with fewer names on the alphabetical list than are in the drawing, then all numbers in excess of the number of candidates or group of candidates that appear on the particular alphabetical list shall be disregarded. Thus, if five numbers are placed in the container, and only four candidates or groups of candidates are on a particular list, then the number five shall be disregarded. For example, if candidates Adams and Cook, filing separate petitions, are the only candidates listed on the alphabetical list and five numbers are chosen in the following order, 3, 5, 4, 2 and 1, then candidate Cook's name will appear in the certification prior to the name of candidate Adams. For simultaneous petitions filed in the last hour on the last day of filing, the drawing shall operate in the same manner as outlined in this Section, except that the candidate associated with the first drawn number shall be certified last on the ballot, the candidate associated with the second drawn number shall be certified second to last on the ballot, and so on until all numbers are drawn.

- d) All candidates shall be certified in the order in which petitions have been filed with the State Board of Elections, election authority or the local election official. In cases in which candidates have filed simultaneously, they shall be certified (in the order determined by the lottery procedure outlined in this Section) prior to candidates who filed for the same office who filed their petitions at a later time, except in those situations in which the law requires rotation on a district-by-district basis.

NOTE: Two or more petitions filed within the last hour of the filing deadline shall be deemed filed simultaneously and the order of candidate placement on the ballot will be determined by a separate lottery drawing. (10 ILCS 5/7-12(6), 8-9(2), 10-6.2)

SECTION 202.40 SIMULTANEOUS FILINGS FOR THE SAME OFFICE – *NEW PARTIES*

Simultaneous filings of new political party petitions for full slates of candidates occur only at 8:00 AM on the first day of filing and in the last hour of filing on the last day of filing. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from such simultaneous filings must be approved by the State Board of Elections. The following system has been so approved:

- a) New political party petitions received shall be classified according to the political subdivision to which they relate. Within each classification, petitions filed simultaneously shall be numbered consecutively commencing with the number one;
- b) All ties in new political party filings shall be broken by a single drawing. A number shall be placed in a container representing each number assigned to the new political party petitions. For example, if five petitions are filed simultaneously, then five numbers, one, two, three, four and five shall be placed in the container;
- c) After the numbers are placed in the container, they shall be drawn one at a time from the container after being thoroughly shaken and mixed. With respect to simultaneous filings at 8:00 AM on the first day of filing, the new political party petition corresponding to the first number drawn shall be certified first and so forth until all numbers are drawn. With respect to simultaneous filings in the last hour of the last day of filing, the new political party petition corresponding to the first number drawn shall be certified last and so forth until all numbers are drawn. No nominating petitions will be accepted after 5 PM;
- d) All new political parties shall be certified after the established political parties in the order in which petitions have been filed or with regard to simultaneous filings, in the order determined by the lottery procedure outlined in this Section.

SCHOOL AND COMMUNITY COLLEGE BALLOT PLACEMENT LOTTERY **PROCEDURES**

This information applies to both school districts and community college districts.

This section was prepared to assist school and community college election officials with the administration of the election process. However, this section is not intended to be used as a substitute for the relevant statutes, the Illinois Constitution, or applicable case law.

Candidate Ballot Placement

Community unit school districts formed prior to January 1, 1975 under mandatory board representation may initiate a referendum by resolution order or by petition to elect board of education members at-large from the district without restrictions. (105 ILCS 5/10-10.5)

Ballot Order

For all school districts electing candidates to a board of education in a manner other than at-large, candidates who file nominating petitions for an unexpired term shall be grouped together by area of residence as follows:

- (1) by congressional townships, or
- (2) according to incorporated or unincorporated areas.

NOTE: In school districts that elect their board members according to area of residence, the winner(s) of the unexpired term(s) shall be determined first and independently of those running for full terms.

For all school districts electing candidates to a board of education in a manner other than at-large, candidates who file nominating petitions for a full term shall be grouped together by area of residence as follows:

- (1) by congressional townships, or
- (2) according to incorporated or unincorporated areas.

Candidate groupings by area of residence for unexpired terms shall precede the candidate groupings by area of residence for full terms. The ballot order of each candidate grouping shall be determined by the order of petition filing or lottery. (105 ILCS 5/9-11.2)

The area of residence of the candidate determined to be first by order of petition filing or by lottery shall be listed first among the candidate groupings on the ballot. All other candidates from the same area of residence will follow according to order of petition filing or the lottery. The area of residence of the candidate determined to be second by the order of petition filing or the lottery shall be listed second among the candidate groupings on the ballot. All other candidates from the same area of residence will follow according to the order of petition filing or the lottery. The ballot order of additional candidate groupings by area of residence shall be established in like manner.

(105 ILCS 5/9-11.2)

“Area of Residence” means congressional township, incorporated, and unincorporated territories.

(105 ILCS 5/9-11.2)

SIMULTANEOUS PETITION FILING – LOTTERY PROCEDURES (10 ILCS 5/7-12(6), 8-9(2), 10-6.2; 105 ILCS 5/9-11.1)

Suggested Lottery Procedures for School Board Candidates Grouped Together by Congressional Township:

Simultaneous filings of candidate nominating petitions for the same office occur at 8:00 AM, or the opening hour, on the first day of filing (including the first mail delivery or pickup on the first day of filing), or within the last hour of the filing deadline. The lottery system to be used by the State Board of Elections, the election authority, or the local election official to break ties resulting from such simultaneous filings must be approved by the State Board of Elections.

The following lottery example is for a school district where membership on the Board of Education is restricted to a maximum of three members from any one congressional township.

In this example, 10 candidates filed simultaneously, all for a full 4-year term;

5 from Township 42 - N, Range 8E

3 from Township 43 - N, Range 8E

2 from Township 42 - N, Range 6E

Candidate groupings by area of residence **for unexpired terms** shall precede the candidate groupings by area of residence for **full terms** on the ballot. Separate lottery procedures for an unexpired term are conducted in the same manner as for full term.

The candidate filing first or the first candidate determined by lottery will determine the first candidate grouping on the ballot. All other candidates from the same area of residence will follow according to order of petition filing or the lottery.

The candidate filing second or the second candidate determined by the lottery will determine the second candidate grouping on the ballot. All other candidates from the same area of residence will follow according to the order of petition filing or the lottery.

The ballot order of additional candidate groupings by area of residence shall be established in like manner.

Lottery procedures are as follows:

- a. The names of all 10 candidates who filed simultaneously shall be listed alphabetically and shall be numbered consecutively commencing with the number one, which shall be assigned to the candidate whose name is listed first on the alphabetical list.
- b. A number shall be placed in a container representing each number assigned to each candidate, pursuant to the alphabetical listing. In this example, numbers 1 through 10 shall be placed in the container.
- c. The numbers shall be drawn one at a time from the container. The candidate in the position on the alphabetical list corresponding to the first number drawn shall be certified first, and the candidate drawn second shall be certified second, and so on.
