Supervisor Larry Corder said the safety meeting this month was about We Know Better. The office girls worked on GA for the month of February, there are 4 pending, 2 General Assistance and 0 Emergency Assistance approved, and 2 denied cases. They are also working on the end of the year fiscal reports. The interest rates are holding at 0.45%--0.50%.

Item 5B.

Monty Murray told us they are having lots of problems with the roads due to the snow and rain. He said they are posting them and trying to keep the bigger trucks off of them so they won't cause more damage. They are out cold patching for now. He said he is getting a new electric motor and snow plow ordered. The new guy he hired is working out great. There's several culverts needing replaced but the wet weather is holding up the work.

Item 5C.

Sue Roberts said this is her busy time of year, she needs to have all her stuff in by June 15th. She said a man confronted her and asked to see some identification and she had nothing. She said she was told to check at the police station and they can help her get a new identification card.

Item 5D

Stan Mullins said they have the mowers ready and a new one purchased from Rural King and will soon be time to start. They hauled some dirt out to the Township barn for Monty. The workers have been picking

up trash and flowers so they will be ready to mow and trim. Stan has interviewed and is ready to hire the summer help. There were lots sold to put up a walk-in mausoleum on the west side of the cemetery. He said grass is growing and they will be starting to mow.
