Ms. Skillrud introduced the Audit Report for Fiscal Year (FY) April 1, 2012 – March 31, 2013. The Audit had been conducted by Rick W. Phillips, CPA. She recommended that the Audit be accepted and placed on file. She noted that this firm had completed a three (3) year agreement with the Township for audit services.

Rick W. Phillips, CPA, addressed the Board. The Board had been provided with a copy of the Audit. He noted that there was a new clarity standard which meant that the audit was easier to understand. The Township had been issued an unqualified opinion. The Township operated under cash basis accounting. The Township had operated within the approved budget. Fund balances as of March 31, 2013 were: General Town Fund \$940,970; General Assistance Fund \$976,418; for a total fund balance of \$1,917,388. He presented a fund balance comparison, this figure equaled ninety percent (90%) of a year's expenses. He welcomed the Board's comments and/or questions.

Trustee Fruin offered his appreciation and congratulations. He noted the number of years that this firm had provided audit services. Mr. Phillips informed the Board that he had provided audit services dating back to when Maxine Schultz was the Township Supervisor. At that time, he was employed at a different firm.

Trustee Fruin expressed his opinion that the Township needed to select a different firm to provide audit services. He believed that a change of outside auditor was appropriate. Mr. Phillips commented that the Township solicited Request for Proposals (RFP) every three (3) years. He agreed that an RFP should be issued periodically.

Ms. Skillrud added that the Township was currently considering an RFP for Audit Services.

Trustee Renner introduced the Amendment to the FY 2014 Township.

Ms. Skillrud informed the Board that a budget amendment was needed due to the audit. There had been a change in accounting practices. A Public Hearing on same would be held on Monday, August 26, 2013 at 6:15 p.m. The Township was required to publish and post same.

Ms. Skillrud addressed the Board. She was learning the duties of a Township Supervisor and meeting with various organizations in the community. A written report had prepared. This report contained the monthly statistics. There were various General Assistance (GA) statistics. GA cases for June 2013 – 161, 129 reopened and 32 new. She noted Community Work/Education, (Community Service – 47, and Drug Court – 2). Skills for Success would start again in the fall.

There was a listing of employment sites: Gourmet Popcorn, Hardees, Salvation Army, Goodwill, Midwest Fiber, and Marriott.

She presented statistics for the Scott Health Resources program for May and June, (Dental referrals – 42; medical doctor visits – 25, medical equipment & supplies – 6; prescription program – 32; and transportation: maternal/child – 81 and cancer – 42). The McLean County Eye Care Referral Network had 76 appointments and 61 pairs of eyeglasses had been dispensed during this two (2) month period. State Farm's Administrative Services had donated a twelve (12) passenger van to Scott Health for its transportation services.

She also addressed prescription drug costs. The average cost for formulary prescription medicine was \$60.07. The average cost for mental health prescription medicine was \$348.29.

Steve Scudder, Township Assessor elect, addressed the Board. He had prepared a written report with Mike Ireland, Township Assessor. It addressed parcels by ward. It appeared that the wards were even. The report also addressed assessed value by ward. There were differences; Ward 8 represented twenty-five percent (25%) of the total value while Ward 6 represented five percent (5%). This information was also presented for single family assessed value by ward. Ward 9 represented twenty-one percent (21%) while Wards 6 and 7 each represented five percent (5%). Information was also presented for commercial assessed value by ward. Ward 8 represented forty-four percent (44%) while Ward 4 represented three percent (3%).

Trustee Renner opened the meeting to Public Comment. No one came forward to address the Board.

The principal of and premium, if any, on the Certificates shall be payable in lawful money of the United States of America upon presentation and surrender thereof at the designated office of the Paying Agent for the Certificates. Principal and interest on the Certificates shall be payable on each monthly payment date to the registered owners of record appearing on the registration

(b) Unless otherwise provided in an Authenticating Order, the certificates shall be subject to call for optional prepayment and redemption, as provided therein.

(c) Principal and interest on the Certificates shall be paid by check or draft mailed to such registered owners at their addresses appearing on the registration books therefor. The Registrar shall not be required to transfer or exchange any Certificate during a period commencing the 10th day next preceding each monthly payment date and ending on such interest date or, as applicable, during a period of fifteen (15) days next preceding the mailing of a notice of redemption of any Certificate which could designate all or a part of such Certificate for redemption or after such mailing.

(d) An Authenticating Order under Section 2(d) of the Prior Ordinance shall be authorized and applicable.
