TOIRMA Launches NEW “Members Only” Section

MEMBERS ONLY ➔

BELOVE IT OR NOT in 2008, Tom Brady was quarterbacking in the big game. Well over a decade later here in 2021 Mr. Brady is still at it ... quarterbacking in the big game. Ironically, he lost at age 30 and won the game this year at age 43. I guess wine isn't the only thing that can improve with age.

The TOIRMA website, toirma.org, was first created in 2008. Although the website is still here, it has gone through significant upgrades over the years. In October 2016, we re-launched the website with a much-needed improvements. The revamped site added the ability to report claims online and make changes to your coverages. The TOIRMA Toolbox, Events Calendar, other resources, and the site's ability to adjust to the type of device (responsiveness) were also added. TOIRMA is continuing to enhance toirma.org with an attention on items relevant to risk management and township government.

On March 8, 2021, TOIRMA launched its NEW “Members Only” section of the TOIRMA website. The section will offer members access to new Video Training, categorized Risk Reminders on numerous safety topics available to download, Safety Items for order, and other Helpful Resources. We will continue to expand the resources presented on an ongoing basis, so once you've accessed the “Members Only” section, please remember to come back for a visit.

To access the “Members Only” section please follow the simple steps below:

- Go to the TOIRMA website, toirma.org.
- Once on our site, click on the “Members Only” button located in the top right corner of your screen.
- You will then be prompted to register by inputting your email address.
- If your email address is already in our system, you will receive an email with the instructions to

set up a password, and you're all set.

- If your email is not in our system, you will be prompted to fill out a short form that will be emailed to TOIRMA. A member of our staff will contact you for verification, and you will then be provided access.

All TOIRMA members with email addresses currently in our database will also be receiving an email formally announcing the new “members only” section. Please take the time to visit the new “members only” section and take advantage of our ever-growing risk management resources available to township officials.

The TOIRMA Board of Trustees and staff are excited to bring the new “Members Only” section to our members and will do our best to keep it fresh and updated. We appreciate you taking a moment to visit the new section and hope you will find this a useful resource in your township.

Thank you for those of you that “liked” our Facebook page, for this is a great way to receive helpful information relating to risk management for townships and road districts.

We appreciate your attention to these matters and have a safe and healthy spring.

As always, if you have any additional questions, please feel free to contact me toll-free at (888) 562-7861 or by email at jdonelan@toirma.org.

Think Safe ... Drive Safe ... Work Safe.
