## 2024 Township Salary Survey

Each township board and multi-township board is charged with setting the compensation (salary) for each elected township and multi-township office for the upcoming term, beginning May 19, 2025 and ending the third Monday May 21, 2029 (beginning January 1, 2026 for assessors, multi-township assessors, and tax collectors and ending December 31, 2029). To aid township officials with this process, the survey assists township and multi-township boards throughout the state compare salaries with those paid in other townships of similar population and assessed valuation (by 2024).

The results of the survey indicate the salaries of townships grouped by counties into zones (1-6). If you have questions on setting salaries, please consult your township attorney or contact TOI. Just remember, you MUST set the salaries by the statutory deadlines (November 18, 2024).

Remember that the salary is set to the position not the person.

## Statutory Guidelines

According to state law, compensation for the elected township officials shall be set by the township board at least 180 days prior to the beginning of the term of office. Compensation, that includes benefits such as health insurance coverage, must be set by the board no later than November 20, 2024 and must be done in an open meeting with a public vote by the board.

According to state law, compensation set for the multitownship assessor and multi-township assessment district (MTAD) board members must be set at least 150 days before the election. Salaries for the multi-township assessor and MTAD board members must be done in an open meeting with a public vote by the MTAD board no later than November 2, 2024.

Again, any health insurance benefit provided is considered part of the compensation package and needs to be set at the same time salary for the position is set. Health insurance payments must be made directly to the provider and not be paid directly to the elected official as a form of reimbursement.

The Attorney General's Office has stated that even discussion of the salaries for the elected officials must be done in an open meeting. The Open Meetings Act does contain a provision that allows for a closed session to discuss the salary schedules for employees. However, the Attorney General's office has said that elected township officials do not fall under the definition of "employee" and thus discussion, deliberation, and the final vote on salaries for elected township officials must all be done in an open public meeting.

## Supervisors, Clerks \& Trustees

Generally speaking, supervisors and clerks are paid annual salaries. However, these offices may be paid on a per diem basis. In addition to their salary, a supervisor may be compensated for serving as Road District Treasurer. The salary as road district treasurer may not be less than $\$ 100$ nor more than $\$ 1,000$ per year. This must also be set at the same time as the other township officials' salaries and must be paid out of the town fund. Trustees may be paid either an annual salary, or on a per diem (per meeting) basis.

This survey includes a response rate of $51.12 \%$ as of May 1,2024 . We will continue to update these results and will have a new version posted online at toi.org by July 1,2024.

## Highway Commissioners

Highway Commissioners may be paid an annual salary (minimum of $\$ 3,000$ ) or a per diem salary but NOT a combination of both. Highway Commissioners may NOT legally be paid an hourly rate or overtime for hours in excess of an established number. It should be understood that per diem payments are for all duties carried out in a single 24 -hour period. However, if a per diem is established, the township board must be prepared to pay the per diem for every day of the year including Sundays and holidays.

## Assessors

Township assessors and multi-township assessors may also be paid a per diem or an annual salary. There is no provision though for a per-parcel payment, even if per-parcel compensation is utilized for establishing a fair annual salary. The salary ranges for assessors shown in the survey results do not include reimbursement of official expenses incurred by travel, training, education, postage, etc., required for administering the office of assessor or multi-township assessor.
