Meeting Minutes of the Town of the City of Bloomington Township Monday, July 27, 2015; 6:32 PM Page 1 of 2 Motion carried.

Deborah Skillrud, Township Supervisor, addressed the Board. She had prepared a written report. She noted that the Audit presentation had been postponed to allow staff time to review and finalize the findings. The Audit presentation was now rescheduled for the Board's August 24, 2015 meeting. The presentation regarding Evergreen Memorial Cemetery was also scheduled for this meeting.

Steve Scudder, Township Assessor, addressed the Board. He had prepared a written report. The Assessor's Office was reviewing evaluations of City property. One of the first reviews was market/real estate appraisals for the City from 2010 - 2014. The real estate market changes throughout the year and assessments are based on a three (3) year average of sales that includes the number of sales per year; median sales price; median square foot of the sales by price; breakdown of the median sales price per square foot in the price segment; and the median sale price by size.

Trustee Fruin noted Mitsubishi's decision to close its facility, and inquired about the number of employees owning a home in the Bloomington/Normal community.

Mr. Scudder stated the Township did not maintain the information. He was personally familiar with several individuals who were affected by the plant's closure.

Trustee Renner believed roughly 1,200 persons were employed at Mitsubishi, with approximately 600 of those residing in McLean County. He added that roughly 500 individuals lived within the Bloomington/Normal community. It was likely that 325 employees lived in Bloomington. The remaining may have dual residency — a reasonable estimate of 300 employees owned a home in the community. At present, no one has been able to determine if they would continue to live in the Bloomington/Normal community. He discussed retraining opportunities for Mitsubishi's employees with Normal's Mayor Chris Koos with Heartland Community College establishing training programs and/or waiving fees for these employees. Discussions were also held to determine whether another automotive company might come into the area and utilize the plant for its operations.

Trustee Renner opened the meeting to receive Public Comment. No one came forward to address the Board.

Motion by Trustee Hauman, seconded by Trustee Schmidt to adjourn. Time: 6:44 p.m.

Motion carried (viva voce).

Cherry L. Lawson, Township Clerk

To the Board of Trustees
Town of the City of Bloomington, Illinois

We have audited the financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Town of the City of Bloomington, Illinois for the year ended March 31, 2015. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our response to request for proposal letter to you letter outlining the terms of our services. Professional standards also require that we communicate to you the following information related to our audit.

### Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Town of the City of Bloomington, Illinois are described in Note A to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2015. We noted no transactions entered into by the governmental unit during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the Town of the City of Bloomington, Illinois' financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no sensitive disclosures affecting the financial statements implemented during the current fiscal year.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. As part of our engagement, we assisted management with adjustments made regarding accounting for investments in the cemetery trust fund records, and to convert the Township's government funds to a government-wide basis for financial statement purposes, which were material, but planned as part of this engagement.

### Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

### Management Representations

We have requested certain representations from management that are included in the management representation letter dated August 13, 2015.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the governmental unit's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

### Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the governmental unit's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

### Other Matters

The other information and statistical sections are presented for purposes of additional analysis and are not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

We also issued a communication on the system of internal control stating we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This information is intended solely for the use of the Township Board of Trustees and management of Town of the City of Bloomington, Illinois and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

### To the Board of Trustees Town of the City of Bloomington, Illinois

In planning and performing our audit of the financial statements of the governmental activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the Town of the City of Bloomington, Illinois as of and for the year ended March 31, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Township's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Township's internal control. Accordingly, we do not express an opinion on the effectiveness of the Township's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of the internal control was for the limited purpose described in the first paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses. Given these limitations during our audit, we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

This communication is intended solely for the information and use of management, Township Board of Trustees, and others within the organization, and is not intended to be, and should not be, used by anyone other than these parties.

### INDEPENDENT AUDITORS' REPORT

# Board of Trustees Town of the City of Bloomington, Illinois

We have audited the accompanying financial statements of Town of the City of Bloomington, Illinois, as of and for the year ended March 31, 2015, and the related notes to the financial statements, which collectively comprise the Township's basic financial statements as listed in the table of contents.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 1; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to error or fraud.

### Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Basis for Qualified Opinion on Modified Cash Basis of Accounting

Disclosures required by the Governmental Accounting Standards Board Statement 45, Accounting and Financial Reporting for Post-Employment Benefits Other Than Pension, have been omitted in these financial statements. The amount by which this disclosure would affect the financial statements in not reasonable determinable.

### Qualified Opinion on Modified Cash Basis of Accounting

In our opinion, except for the effect of the matter describe in the "Basis for Qualified Opinion on Modified Cash Basis Accounting" paragraph, the financial statements referred to above present fairly, in all material respects, the respective financial position—modified cash basis of the governmental activities, each major fund, and the aggregate remaining fund information of the Town of the City of Bloomington, Illinois, as of March 31, 2015, and the respective changes in financial position—modified cash basis, thereof for the year then ended in accordance with the basis of accounting as described in Note 1.

### **Basis of Accounting**

We draw attention to Note 1 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

### Other Information and Statistical Section

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Town of the City of Bloomington, Illinois' financial statements. The other information and statistical sections are presented for purposes of additional analysis and are not a required part of the financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the financial statements, and accordingly, we do not express an opinion or provide any assurance on them.
