

Township Supervisors of Illinois

The new publication of the GATI manual is now ready! General Assistance is a mandatory program for all Townships and this revised manual is a must for every Township office. This publication will contain all the information and forms you need whether you use the Flat Grant or Needs Allowance process.

We are urging you to purchase the new manual and to dispose of the current manual you have. Much work has gone into making this manual more user-friendly and to cut out information that is redundant.

The cost of the manual is \$150 and will include the manual with a heavy-duty binder, printed tabs and a CD copy of the manual as well. The General Assistance manual is a legitimate expense and can be paid out of the General Assistance funds.
