What is Township Government?

By law, Illinois Townships are in charge of three basic functions:

- **Road and Bridge Maintenance**

Township Government maintains over 71,000 miles of roads in Illinois; a full 53 percent of all thoroughfares in the state.

- **Property Assessment**

Townships establish the value of all real property in the township. The Township Assessor, in fact, is the only elected governmental official who must pass approved courses of instruction before standing for election to office.

- **General Assistance**

Townships provide food, shelter and emergency relief for needy people until they are able to support themselves. Many townships in Illinois operate food banks that guarantee the necessities of life for children.

- **Other Services**

Beyond the three mandated services above, Township Government provides other vital services to the people next door. This may include senior citizens programs, youth programs, assistance to the disabled, parks and recreational facilities, health services and cemetery maintenance.

What is Township Officials of Illinois?

- Township Officials of Illinois serves Illinois' 1,432 townships, offering information on proper government procedures and in support of strong township government.
- Township Officials of Illinois sponsors educational meetings for township officials, and is proactive with township-related legislation in the Illinois General Assembly and U.S. Capitol.
- Mails a monthly magazine *Township Perspective* to its members
- Communicates through their website (www.toi.org)
- Publishes informational handbooks for township officials.
