

Minutes: Coe Township Cemetery Board Meeting

Date: March 10, 2015

Attending: Paul Riewerts, Stan Woodburn, Mike Sadoris, and John Sample

Visitor was Steve Simpson

Meeting called to order at 7:08pm:

Paul read the minutes from last meeting – **Approved**

Next fiscal year meeting dates were selected and approved: 9 June, 8 Sept, 8 Dec and 8 Mar 2016

Meeting time change was requested and approved – new start time is **7:30 pm**.

Old Business:

AIC records updated with all burials from Dec 2010 to present have been completed.

Still need to locate the two grave markers returned to the Fairfield cemetery. Mike Sadoris will try to find the proper locations by taking the stones around and matching the granite.

Two weather proof display cases are ready for installation as soon as weather permits.

Paul provided the sextons with all the new documents for their use.

Discussed brush pile at Fairfield Cemetery. Still plan to burn when conditions are favorable.

Discussed dead trees again. Road crew to help with this as time allows.

Discussed the need for gravel to be installed on the remaining roadway at Pleasant Point. Steve Simpson challenged the board on the West portion of the road way and if we have factual information that no graves were ever located where the roadway is now located. John and Paul will try to get historical data before any road improvements are made.

New Business:

Discussed getting new maps for posting in the display cases. Mike to investigate printing.

Discussed Budget for next fiscal year. Steve Simpson agreed to investigate costs for two new lighted flag poles and the gravel as part of next year's budget needs.

Paul, Stan, and Mike agreed to stay on the Coe Township Cemetery Board for the next fiscal year. John Sample agreed to stay on as Pleasant Point sexton. Paul will ask Jim Sallows if he will continue as sexton for the Fairfield cemetery.

The board discussed and agreed that new light flag poles are in need for both cemeteries and will be given priority to complete along with installation of the display cases that already have been procured.

Paul to call about mowing contract and cost for 2015.

Thanks to Steve for his attendance and excellent council.

Meeting adjourned at 8:19pm
